

**Does the doctoral course
include structured training
activities?
(courses, seminars,
workshops?)**

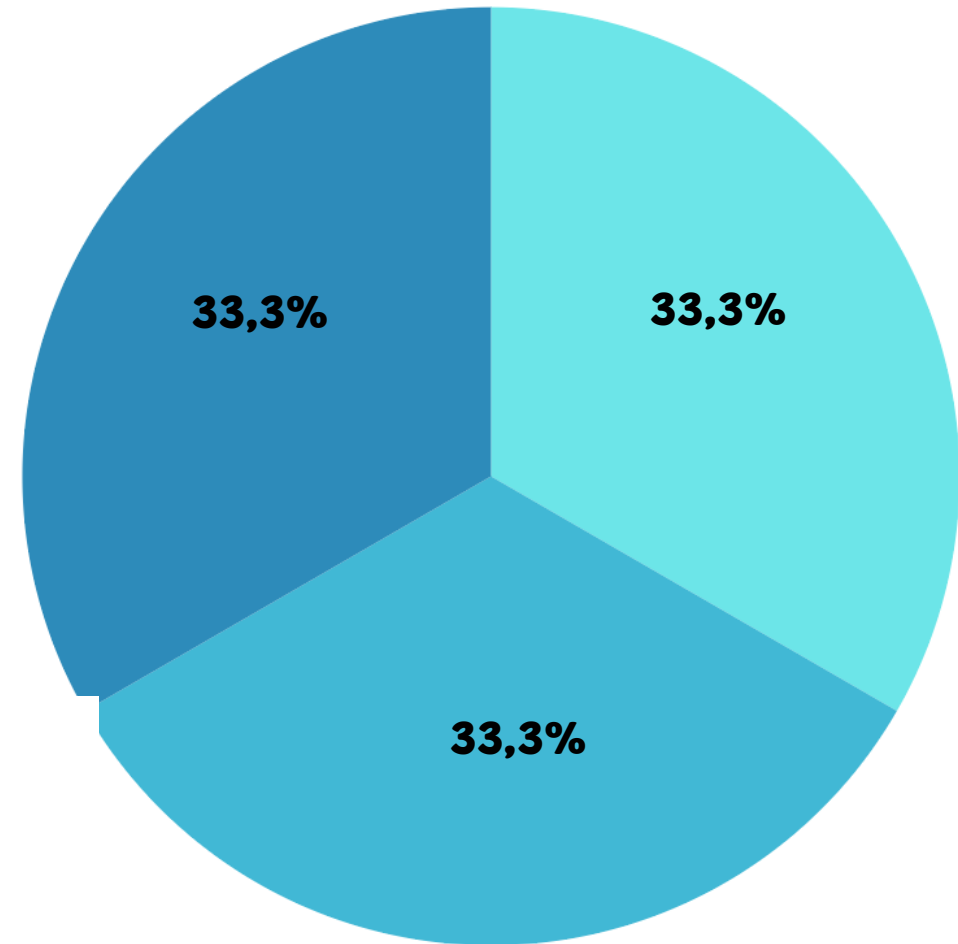

**Is the educational activity
distinct from that taught in
courses related to master's
degree programs?**

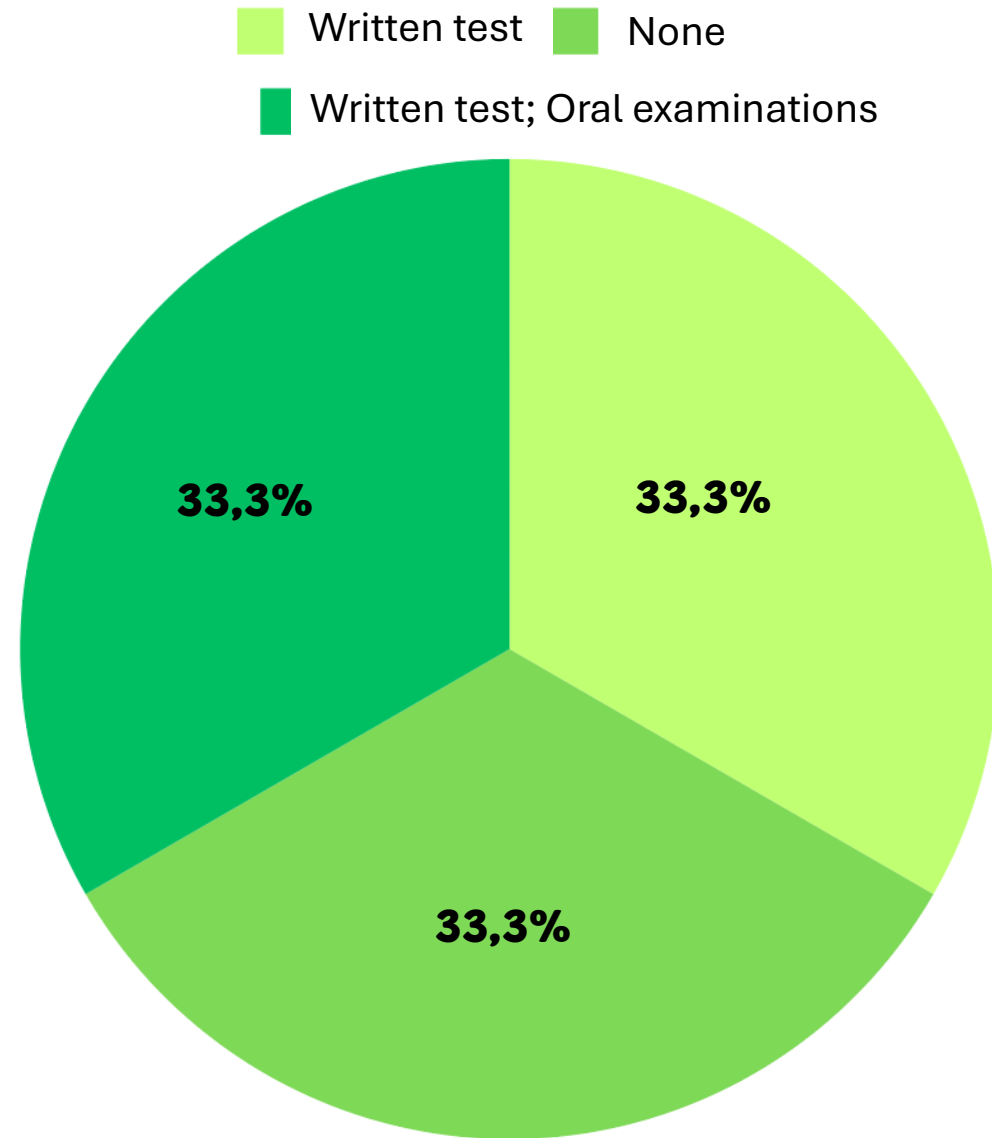

**Did the training activity
also include additional
modules?
(more than one answer
possible)**

-  Yes, interdisciplinary, multidisciplinary, transdisciplinary modules
-  Yes, modules related to entrepreneurship, access to competitive funding, publication and valorization/dissemination of research results
-  No

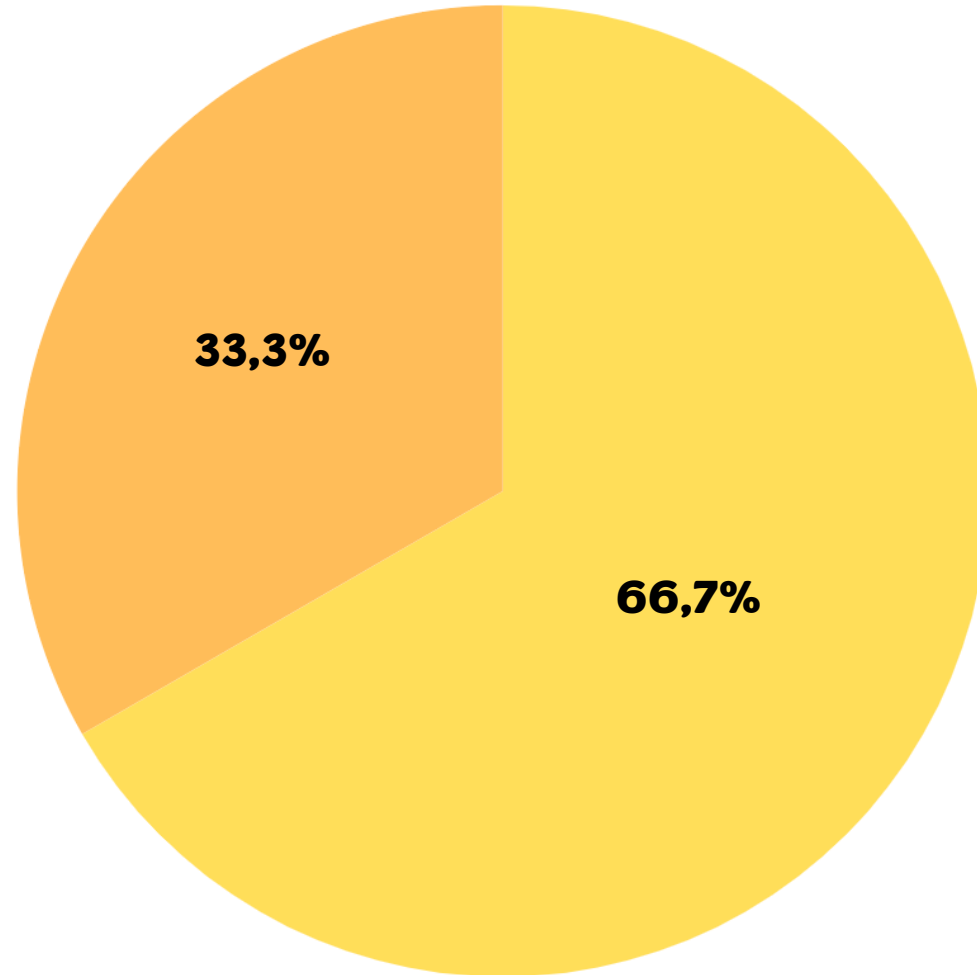

**What arrangements
are made for in-
progress verifications
of the training activity
during the PhD
course?
(more than one
answer possible)**

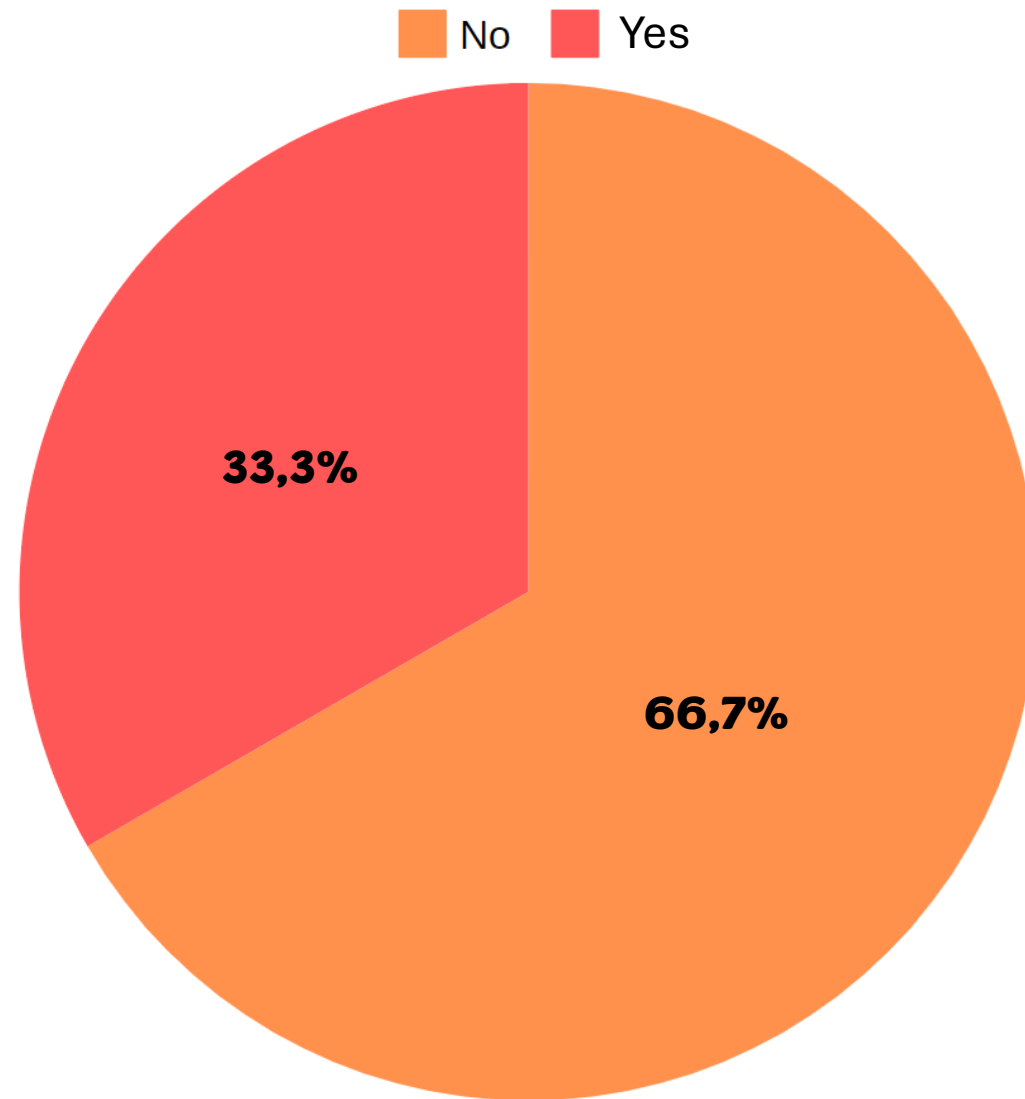

**What arrangements
are made for
monitoring research
activity during the PhD
course?
(more than one answer
possible)**

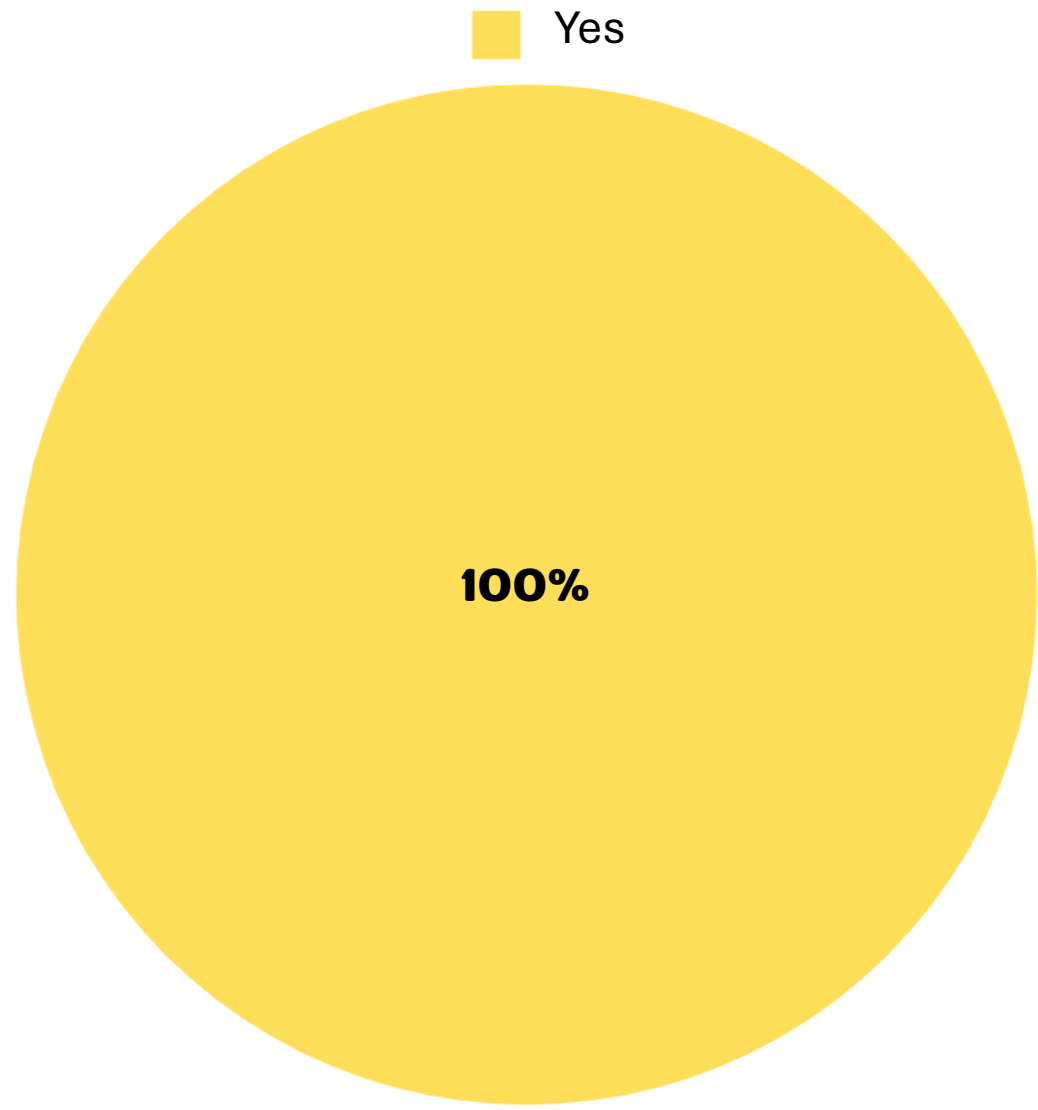

- Presentation of individual research results
- Assessment of the progress of the thesis work at the year passage

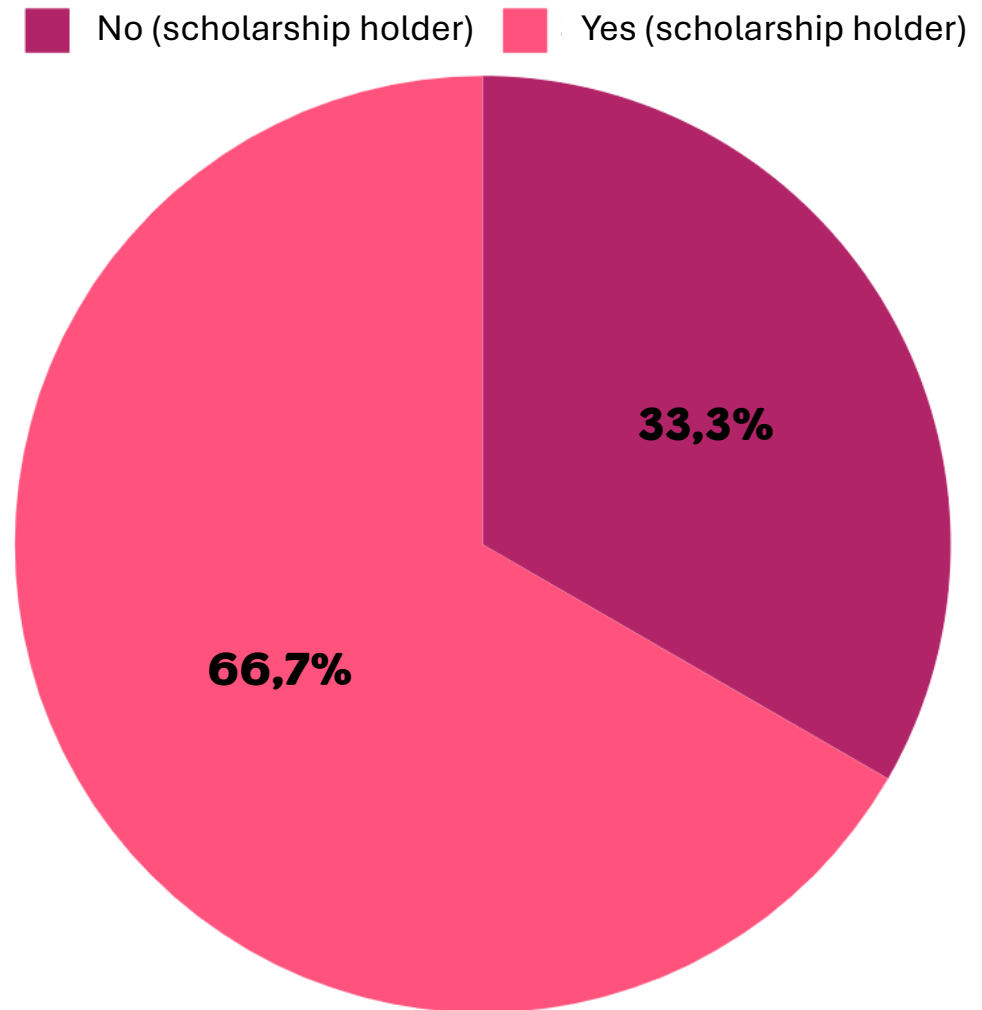

**Have you benefited
or are you
benefiting from the
additional budget
under DM 226/2021
of at least 10% for
research activities?**

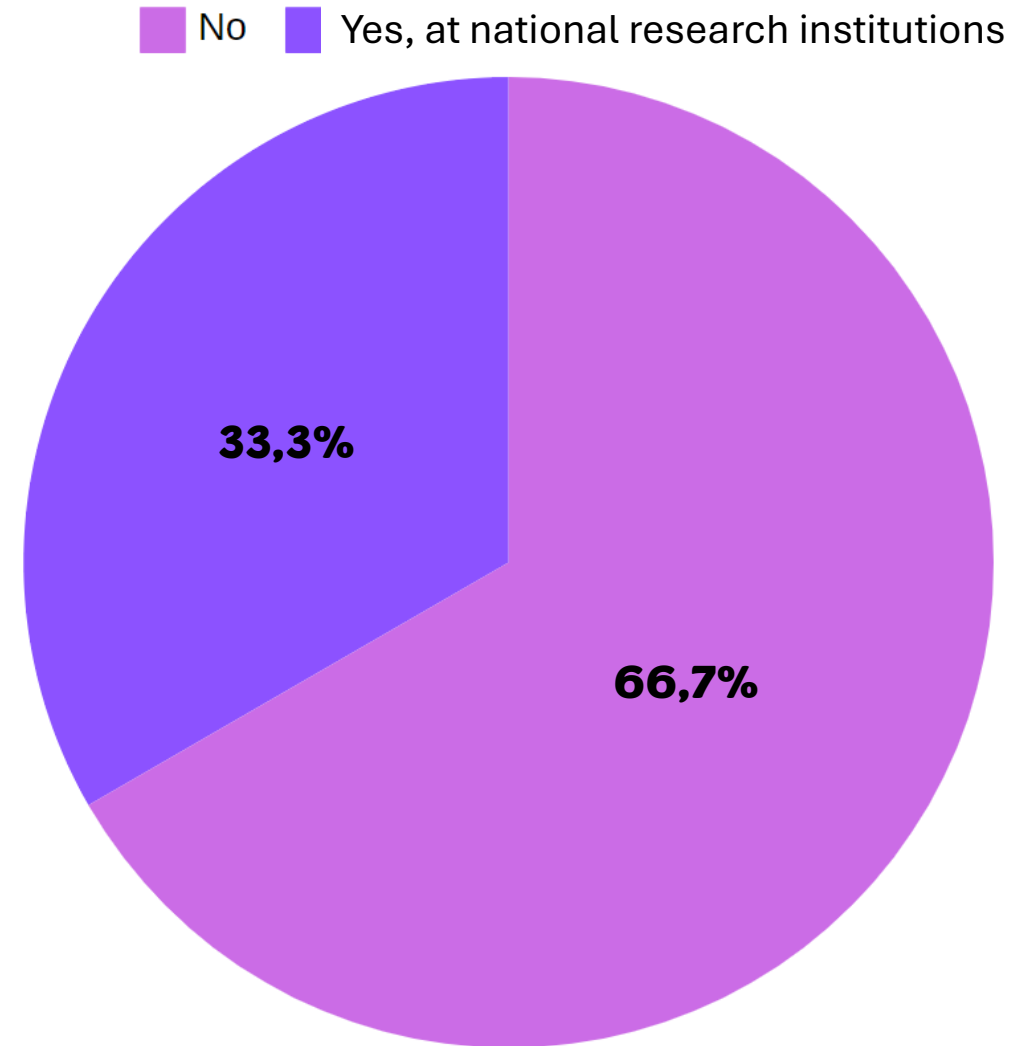

Have you spent, are you spending, or do you intend to spend periods of study or research abroad, consistent with your training?

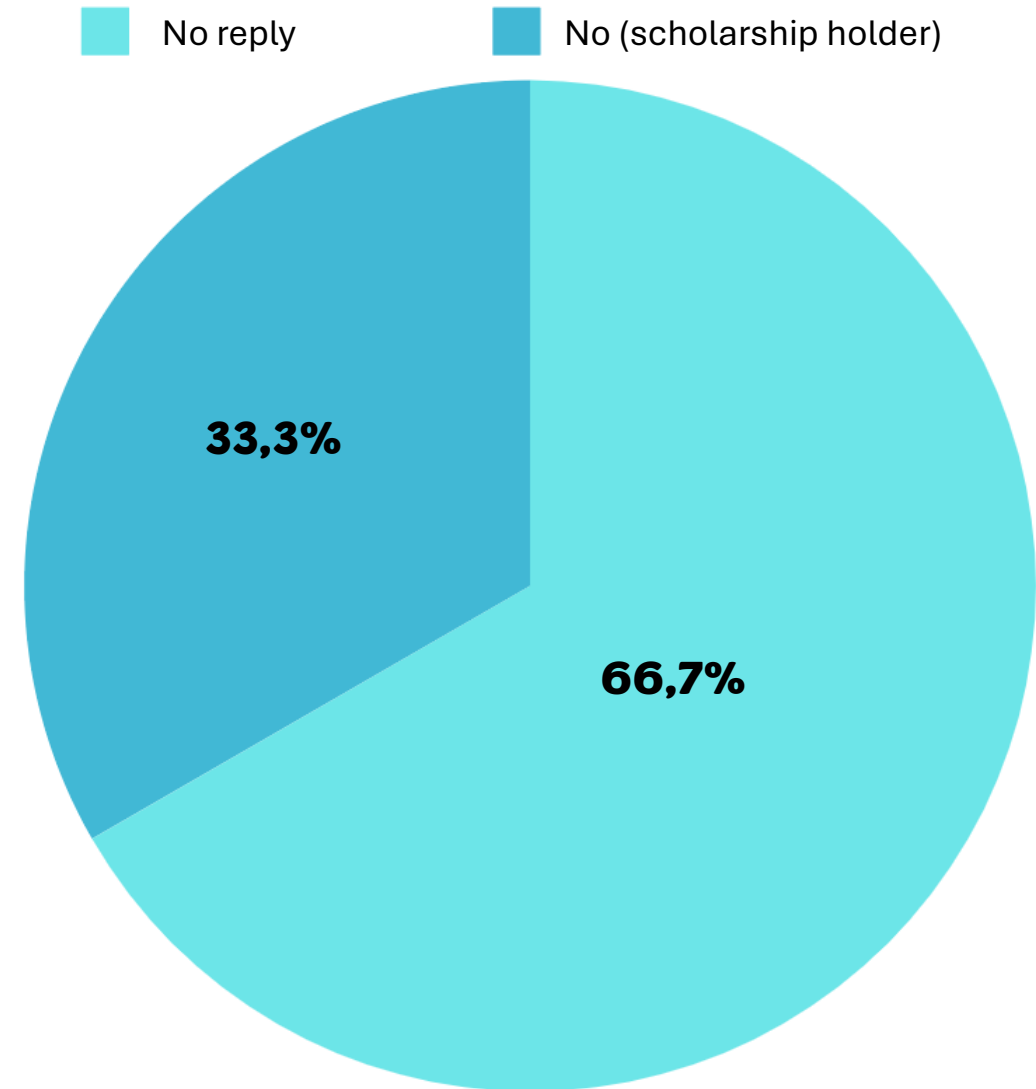

Have you used or are you using or planning to use the 50% grant increase for mobility periods abroad?

Have you spent, are you spending, or do you intend to spend periods of study or research, consistent with the training project, at national research institutions, companies, public administration, during your PhD?

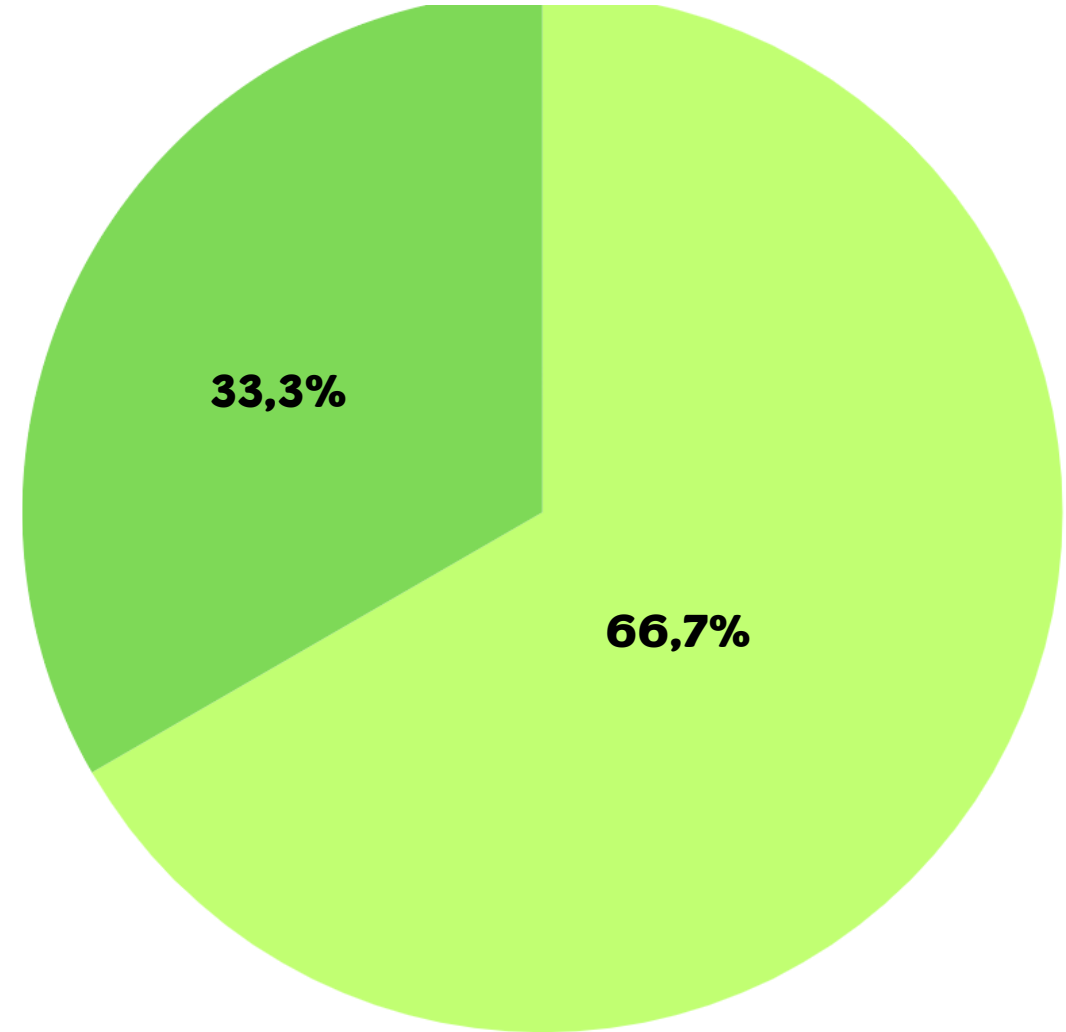

Have you received or are you receiving financial support for periods at Research Institutions, Companies, Public Administration?

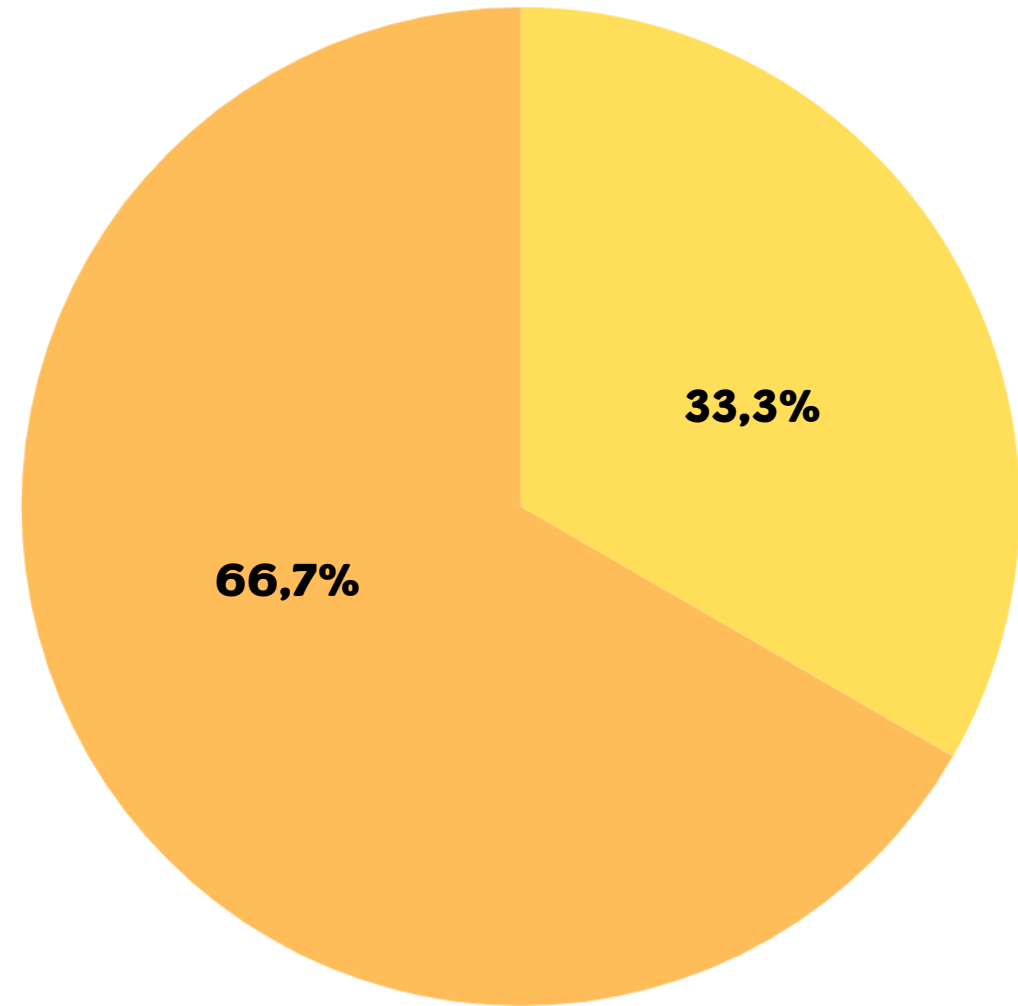

**Why did you not choose to spend periods of study or research at Research Institutions, Companies, Public Administration during your PhD course?
(more than one answer possible)**

- No reply
- The training opportunities offered in this program are adequate and do not require further experience at foreign institutions

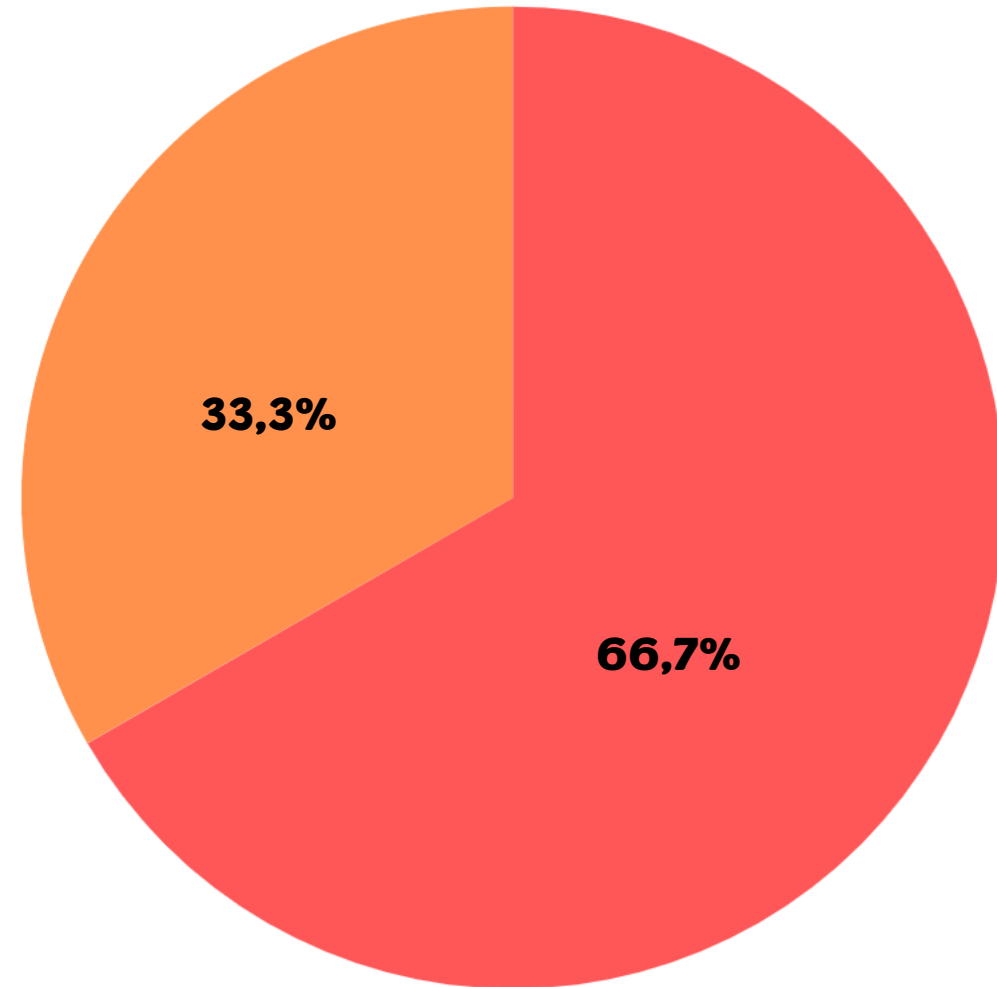

**Is there a workspace for
doctoral students at your
doctoral school?**

- Yes, with stations for individual doctoral students
- Yes, a shared space without reserved stations

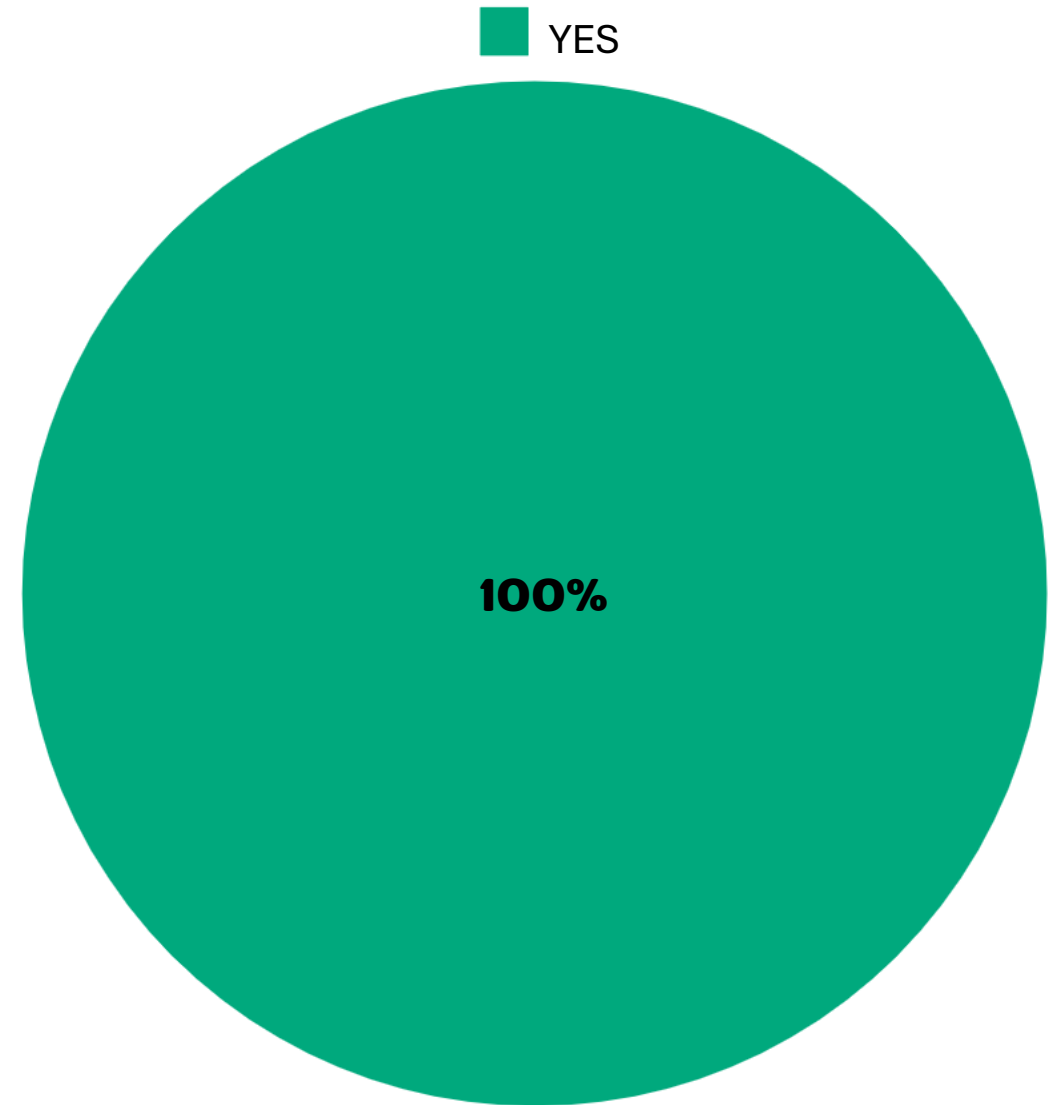

**Did you personally
carry out or are you
carrying out teaching
or teaching support
activities during your
PhD?**

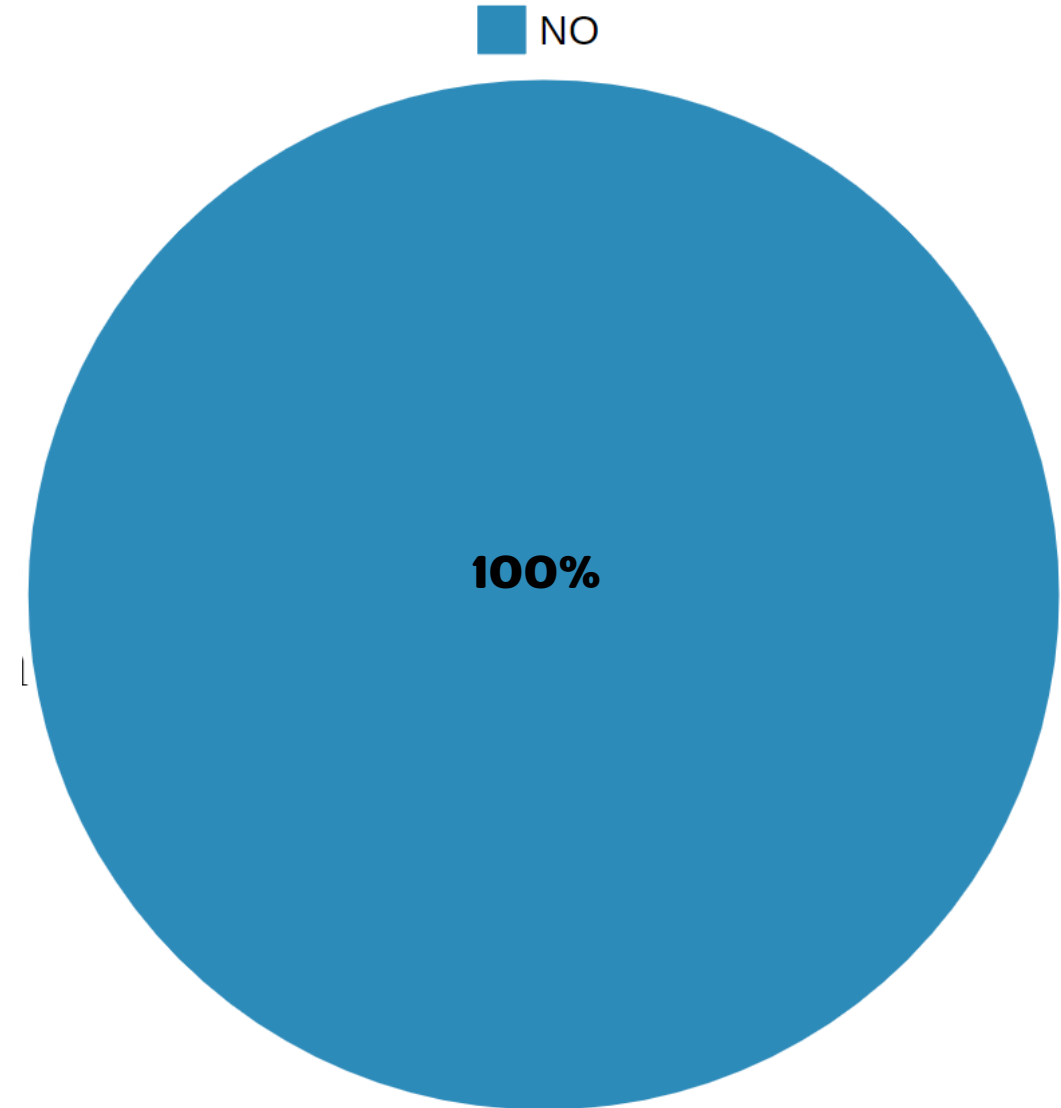

- No
- Yes, supplementary activities (tutorials, seminars or tutoring)

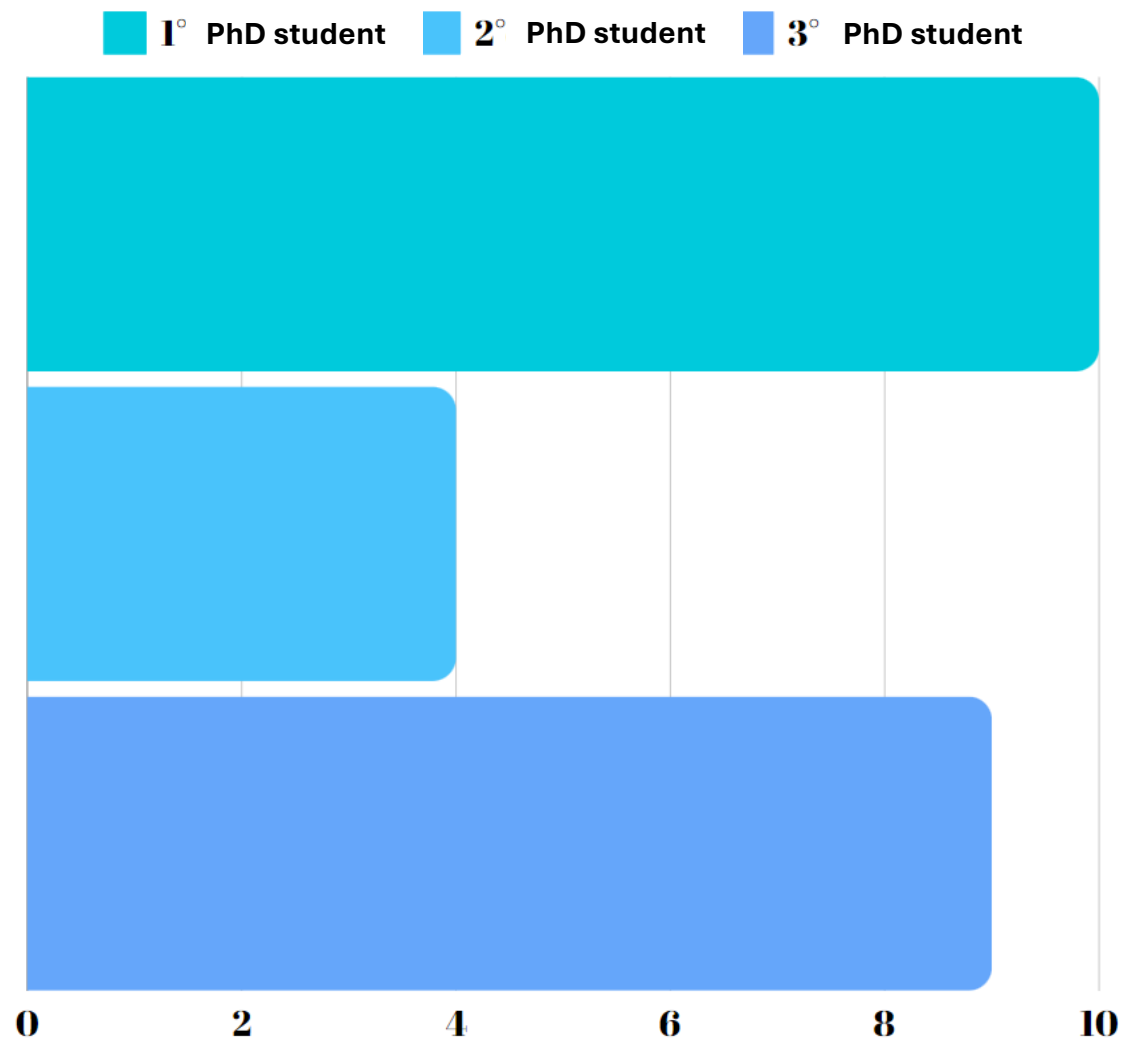

**Were any other
research activities
carried out jointly with
other universities
during the PhD course?**

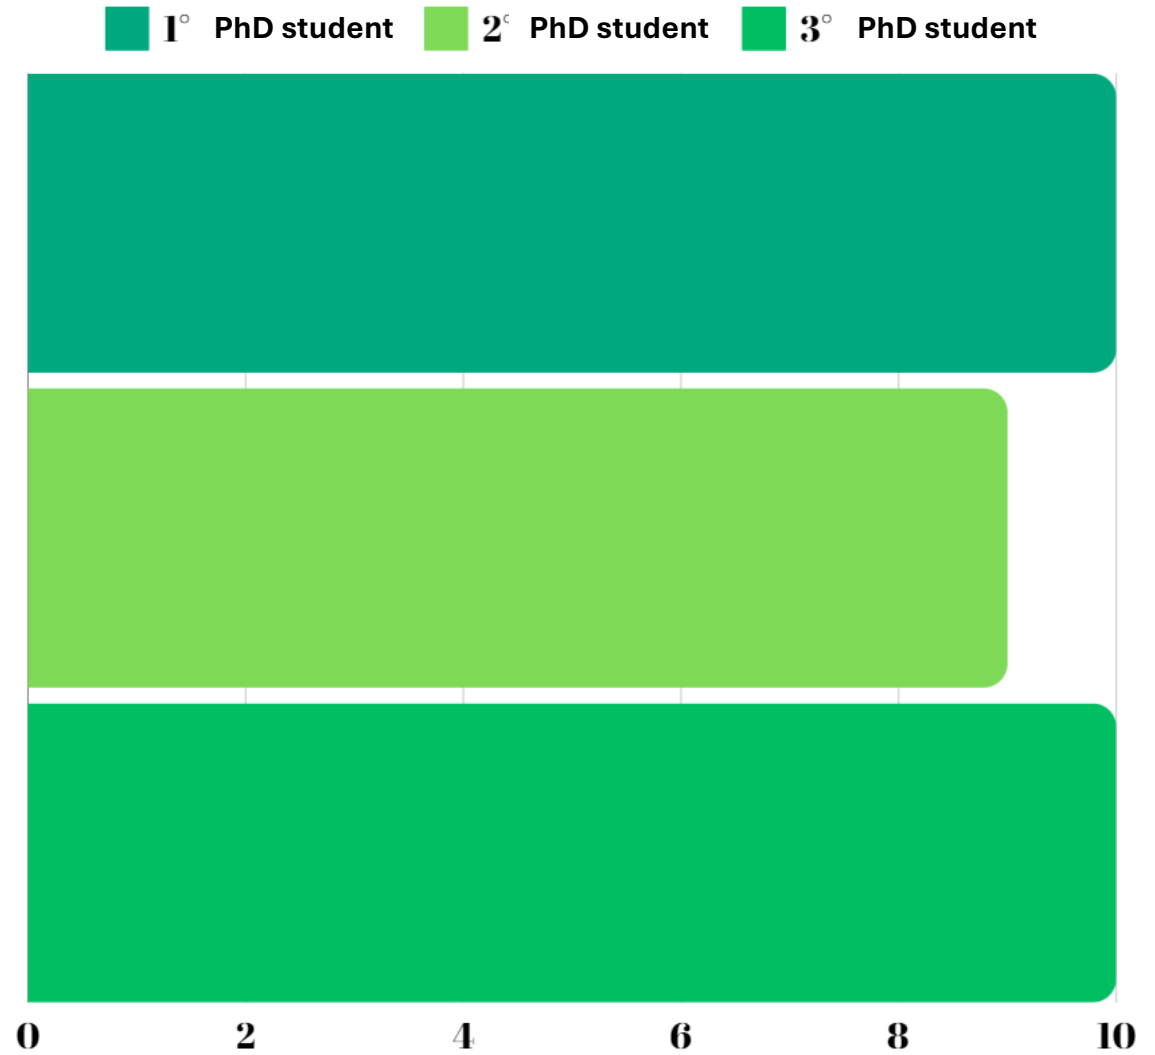

During the PhD course, were there any research activities that promoted technology transfer in collaboration with companies?

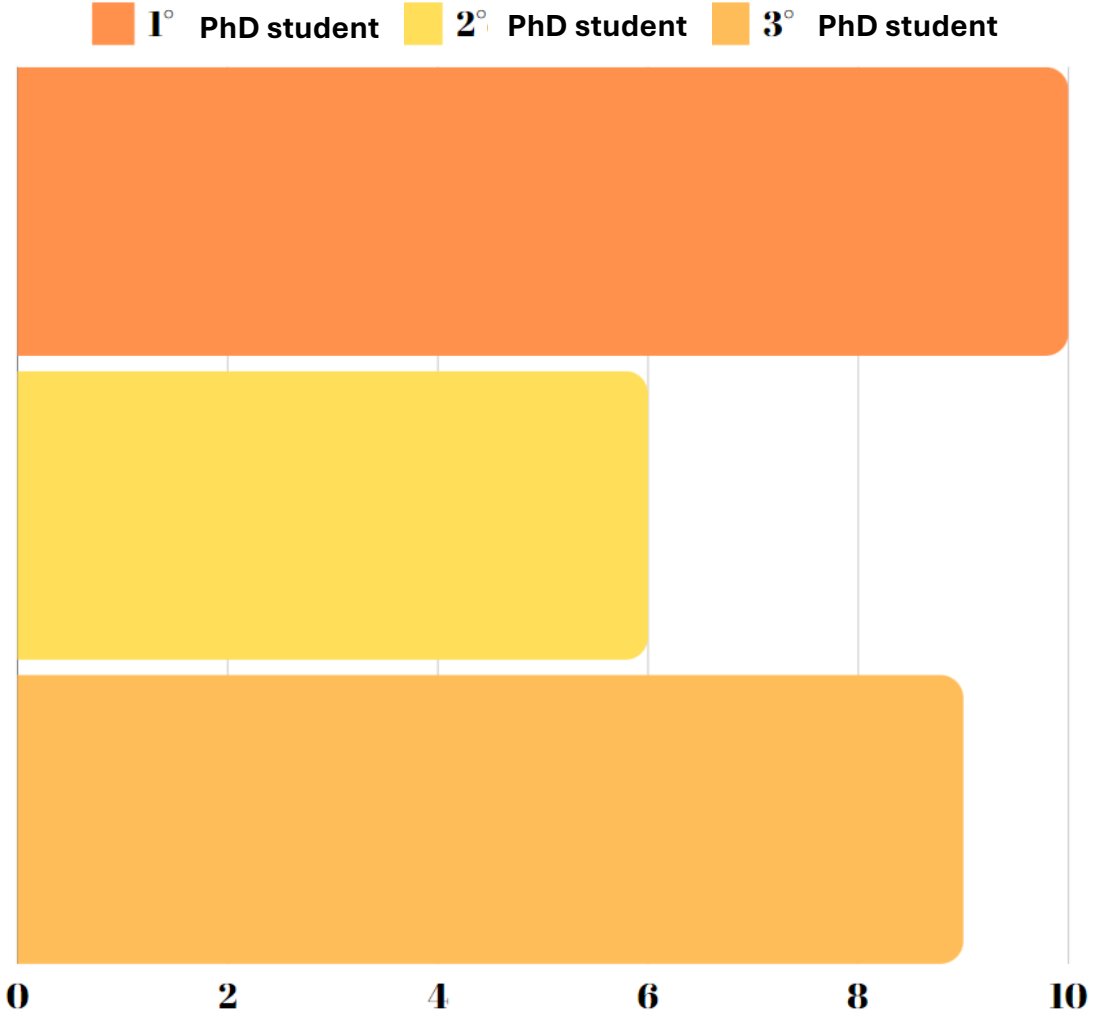

Are the training activities comprehensive and consistent with the main themes of the PhD Course?

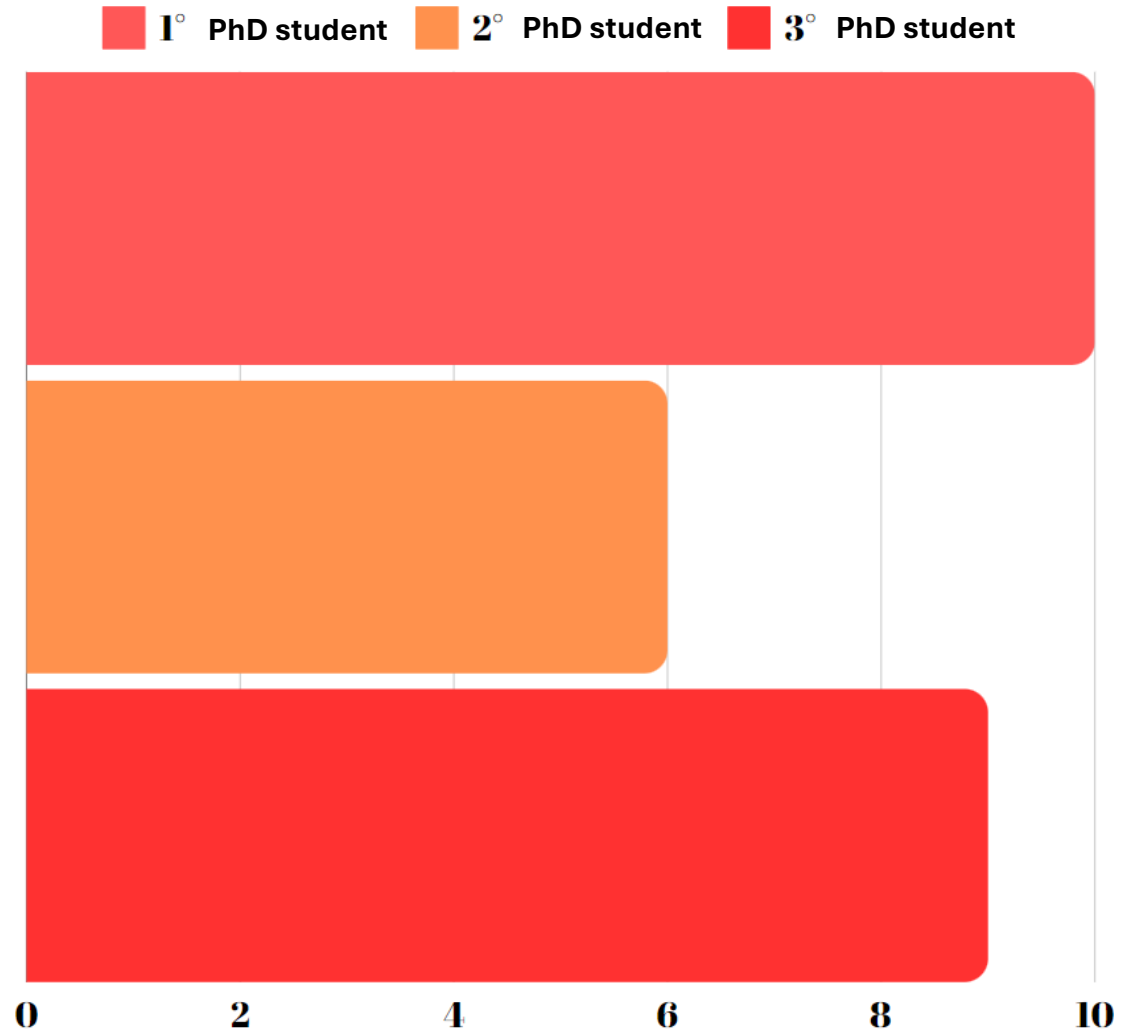

Are the topics covered in the training activities in-depth and up-to-date?

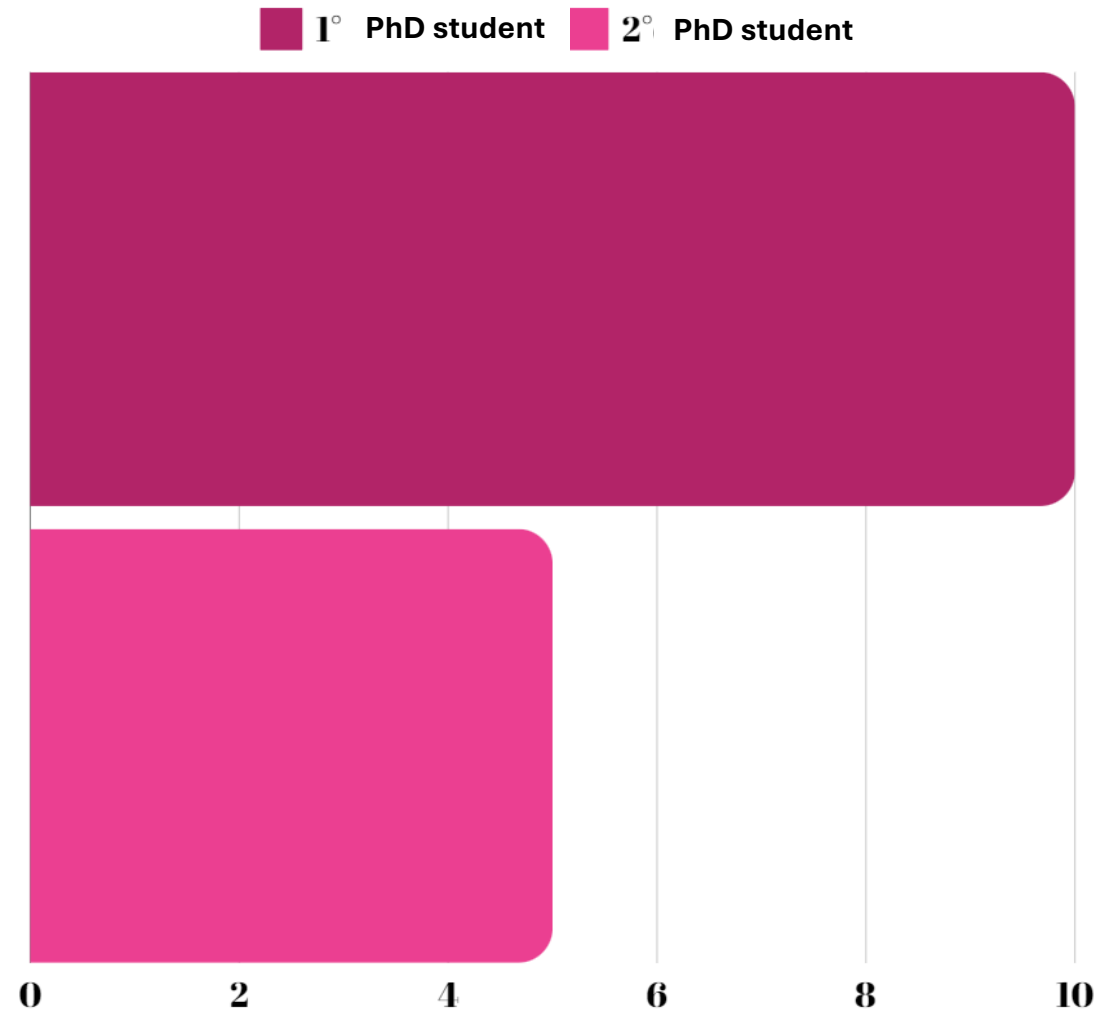

Are the training activities useful for the progress of the doctoral thesis?

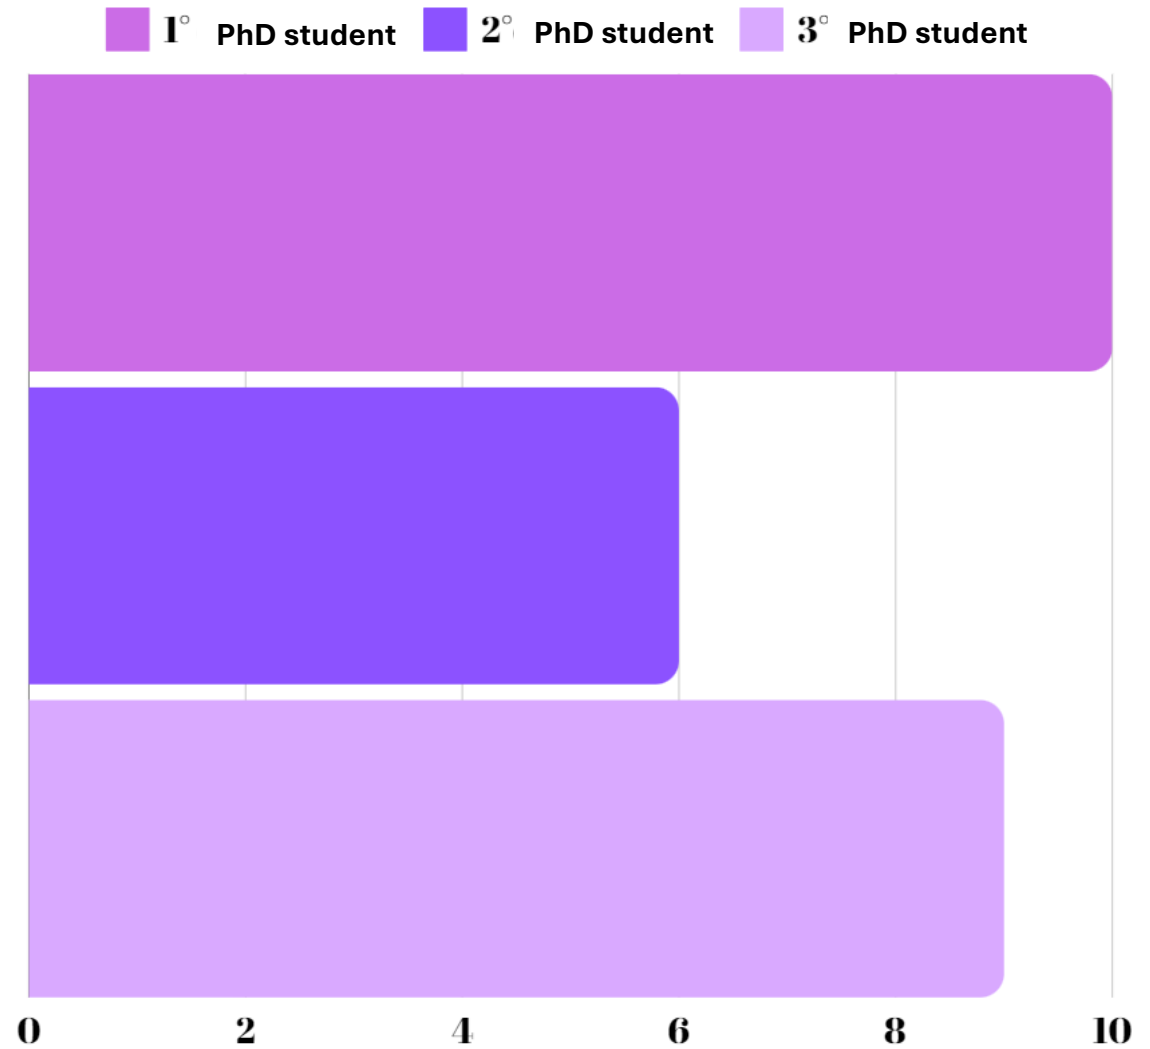

Does the workload required by structured training activities (courses, seminars and workshops) allow you to adequately devote yourself to research and work on your thesis?

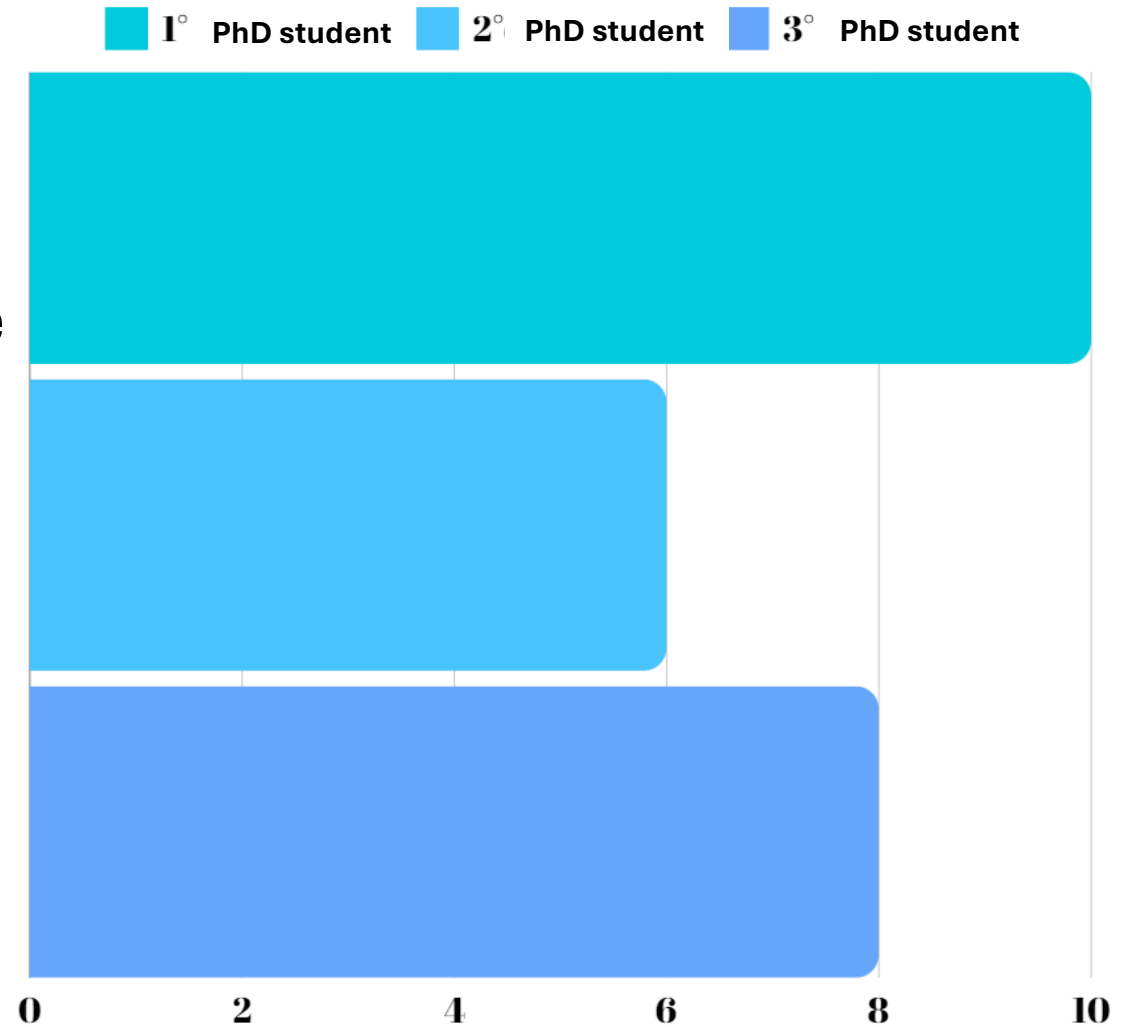

**Are ongoing evaluations
(exams, presentations,
papers) just a formality
or have they been absent
altogether?**

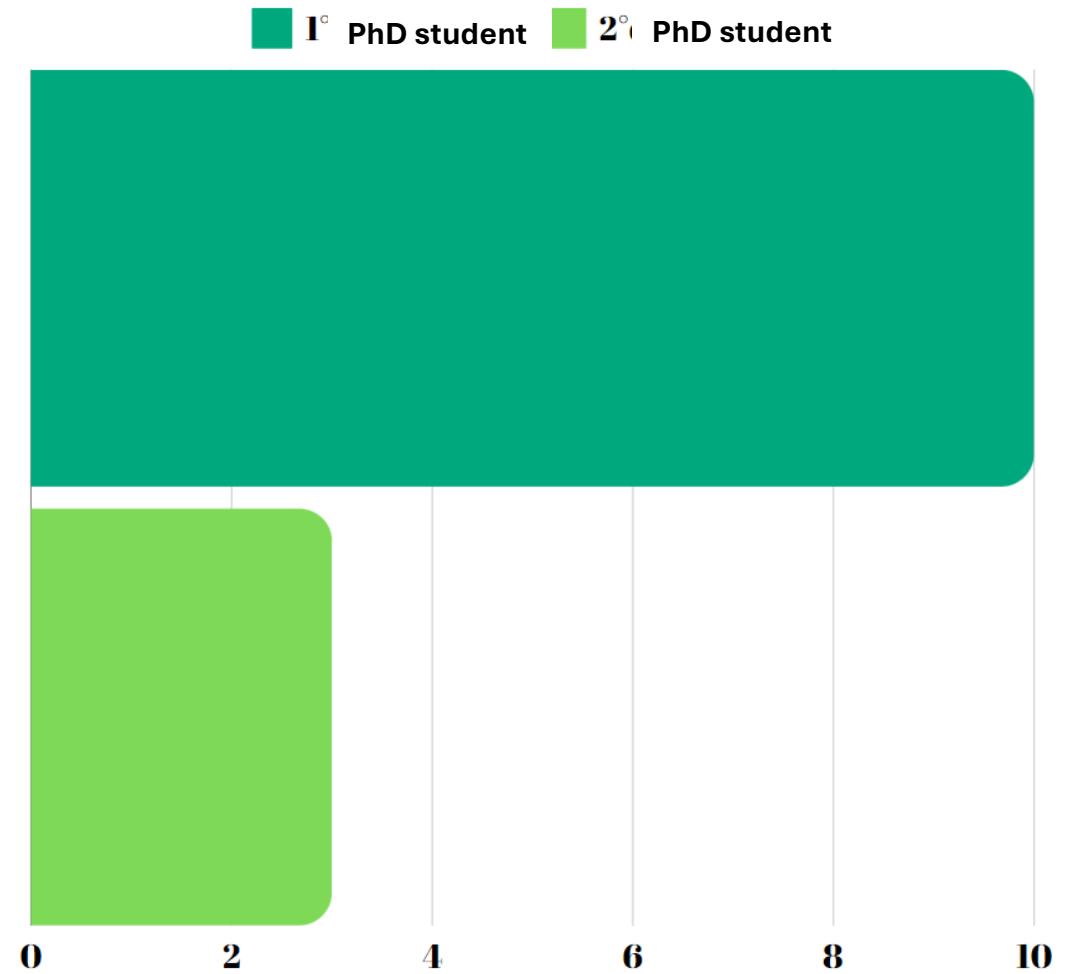

Overall, are you satisfied with the training activities offered?

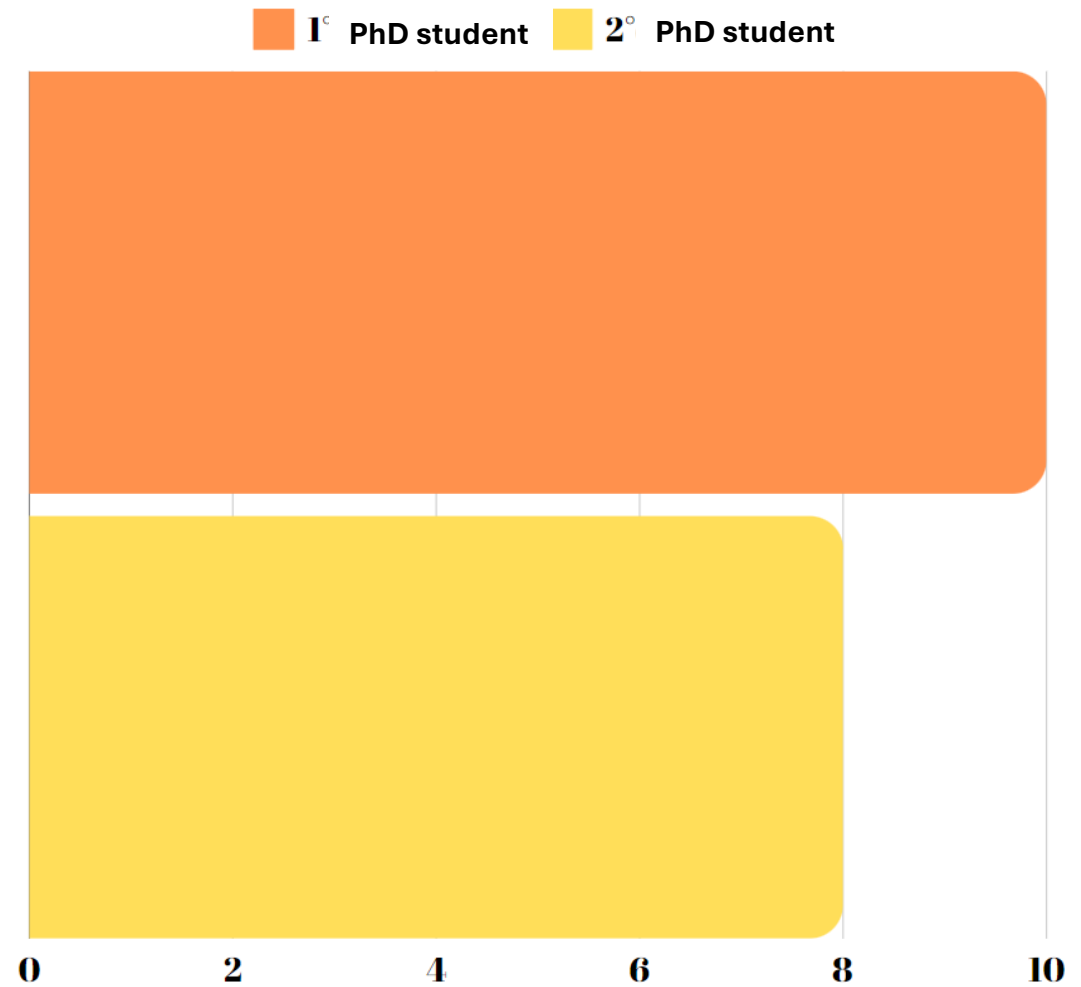

**During the PhD course,
did you receive adequate
information and support
from the lecturers about
undertaking experiences
abroad?**

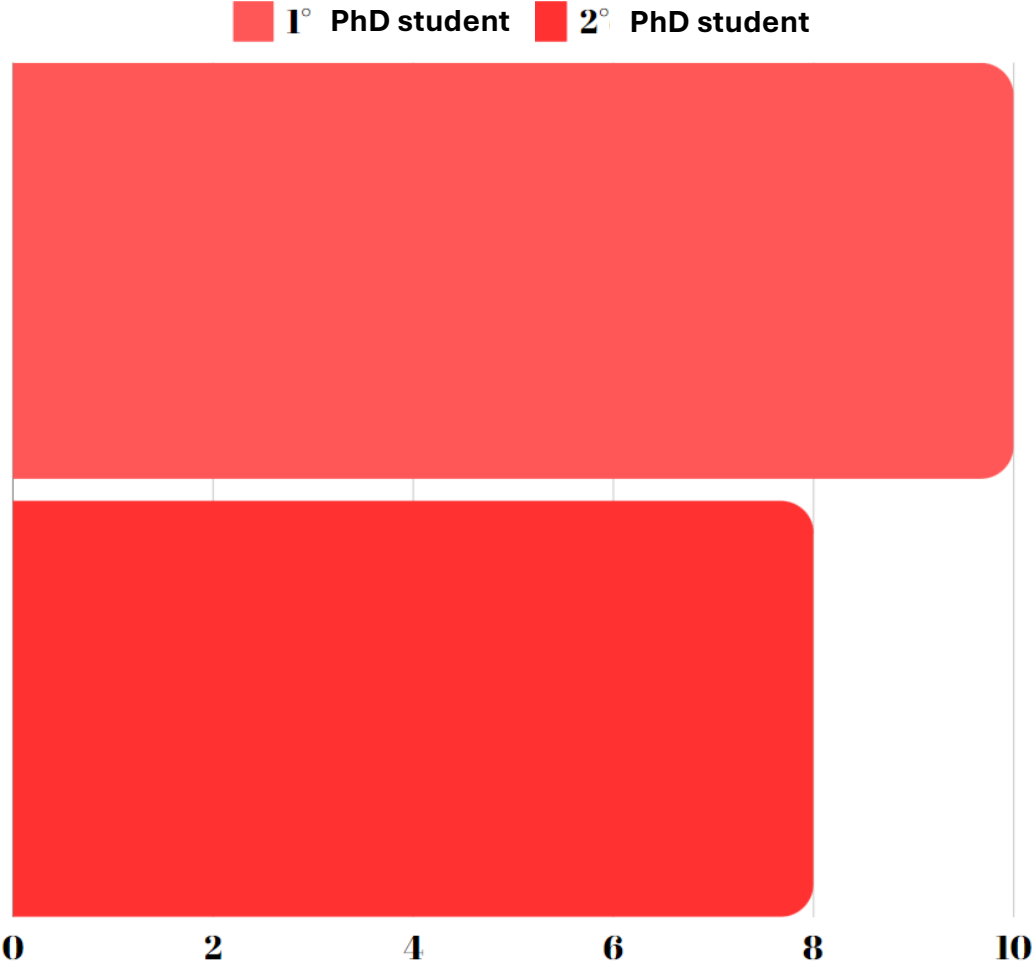

Was the support received from your home university for the study or research period abroad satisfactory?

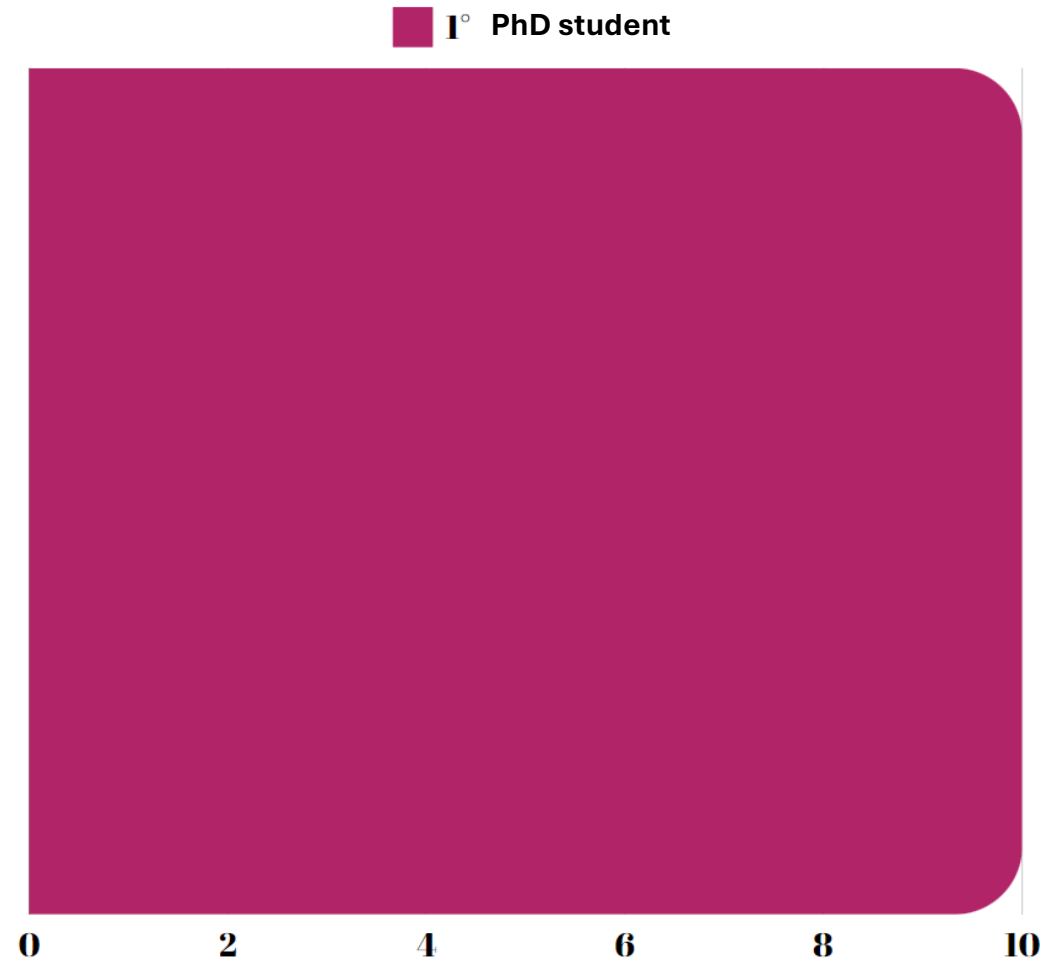

**Is the support
received from the host
university/institution
for the period of study
or research abroad
satisfactory?**

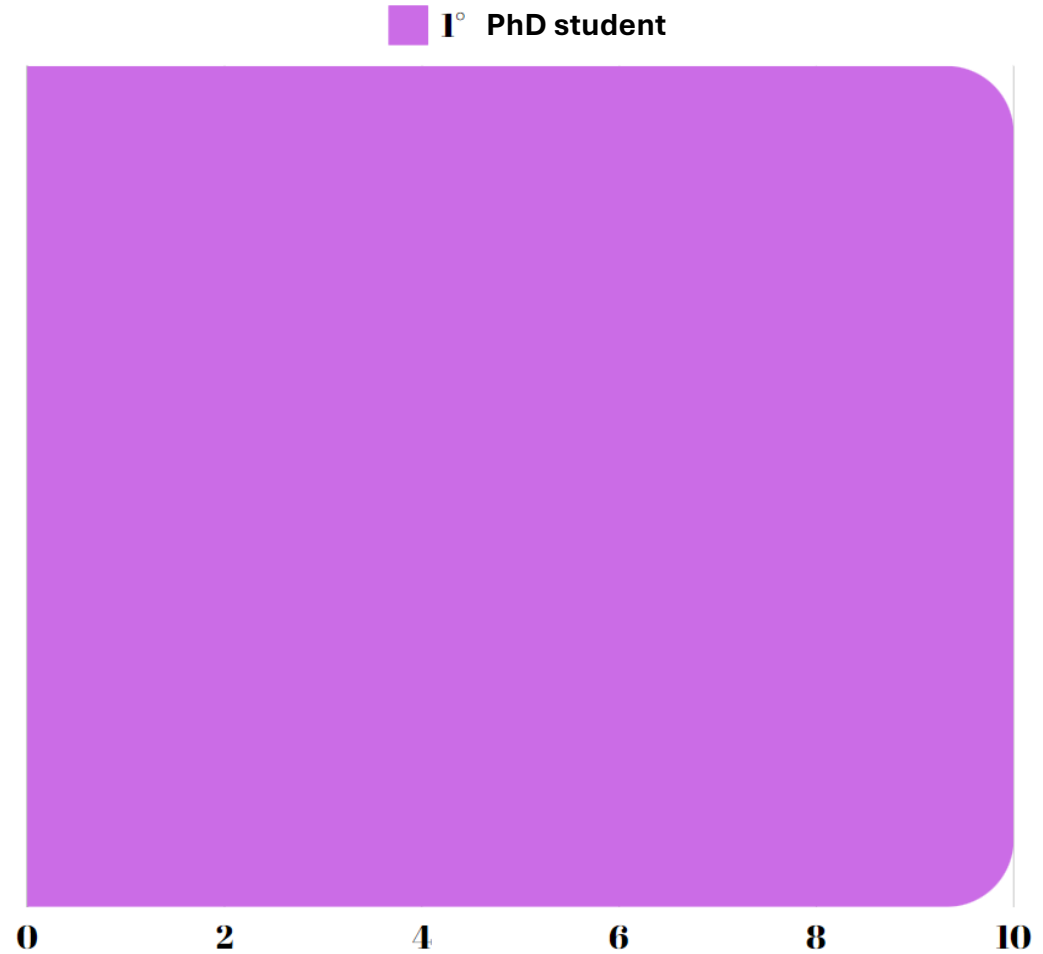

Overall, are you satisfied with your study or research period abroad?

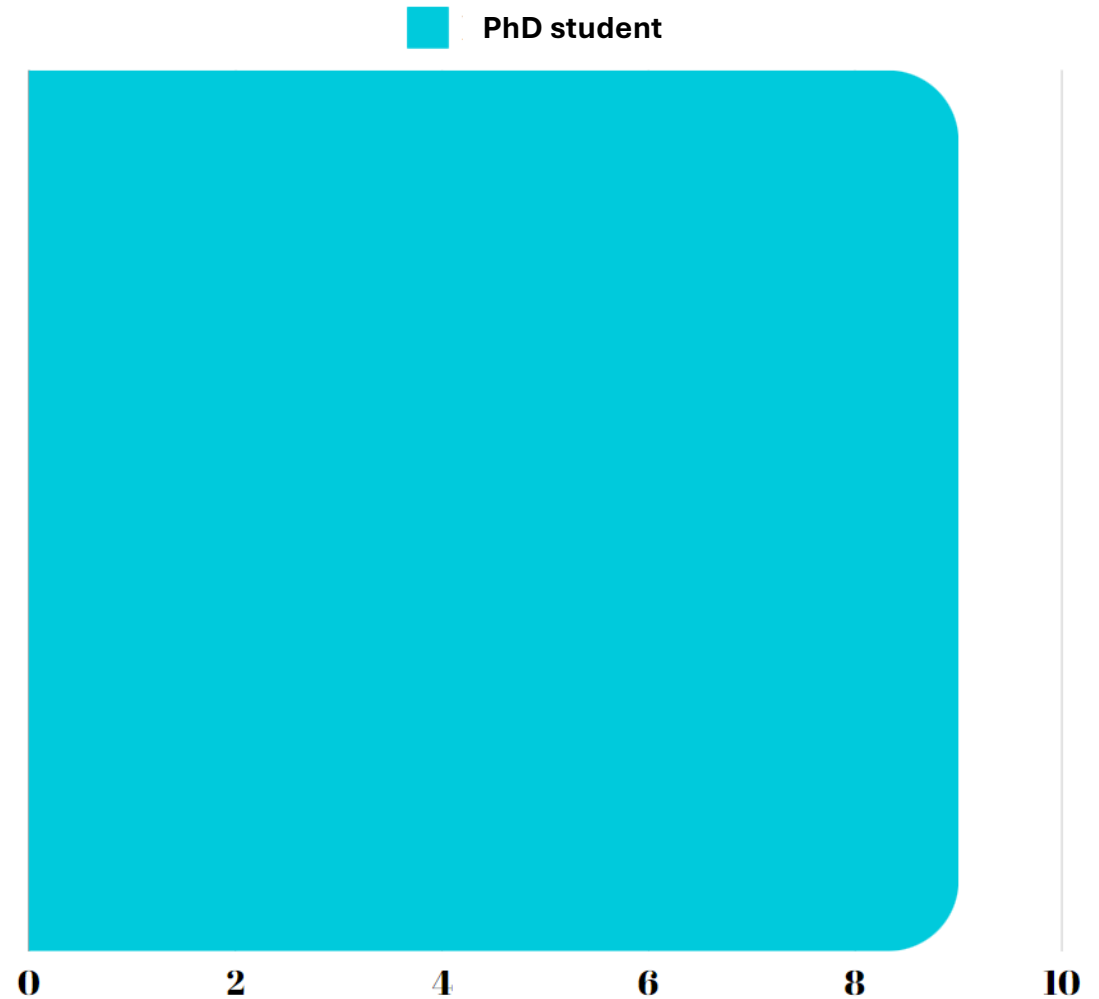

During the PhD course, I received adequate information and support from the lecturers about gaining experience at other institutions

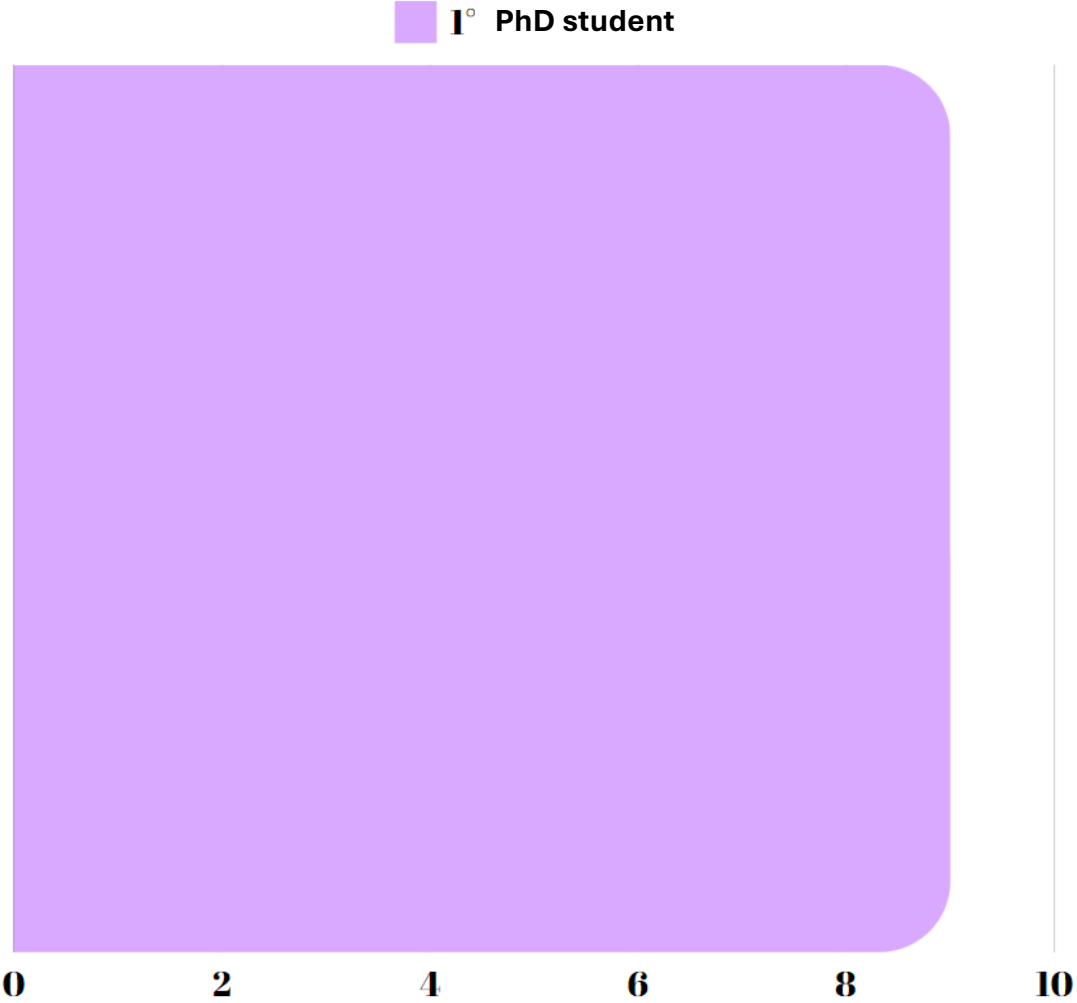

**Is the support
received from your
home university for
the period of study or
research at other
institutions
satisfactory?**

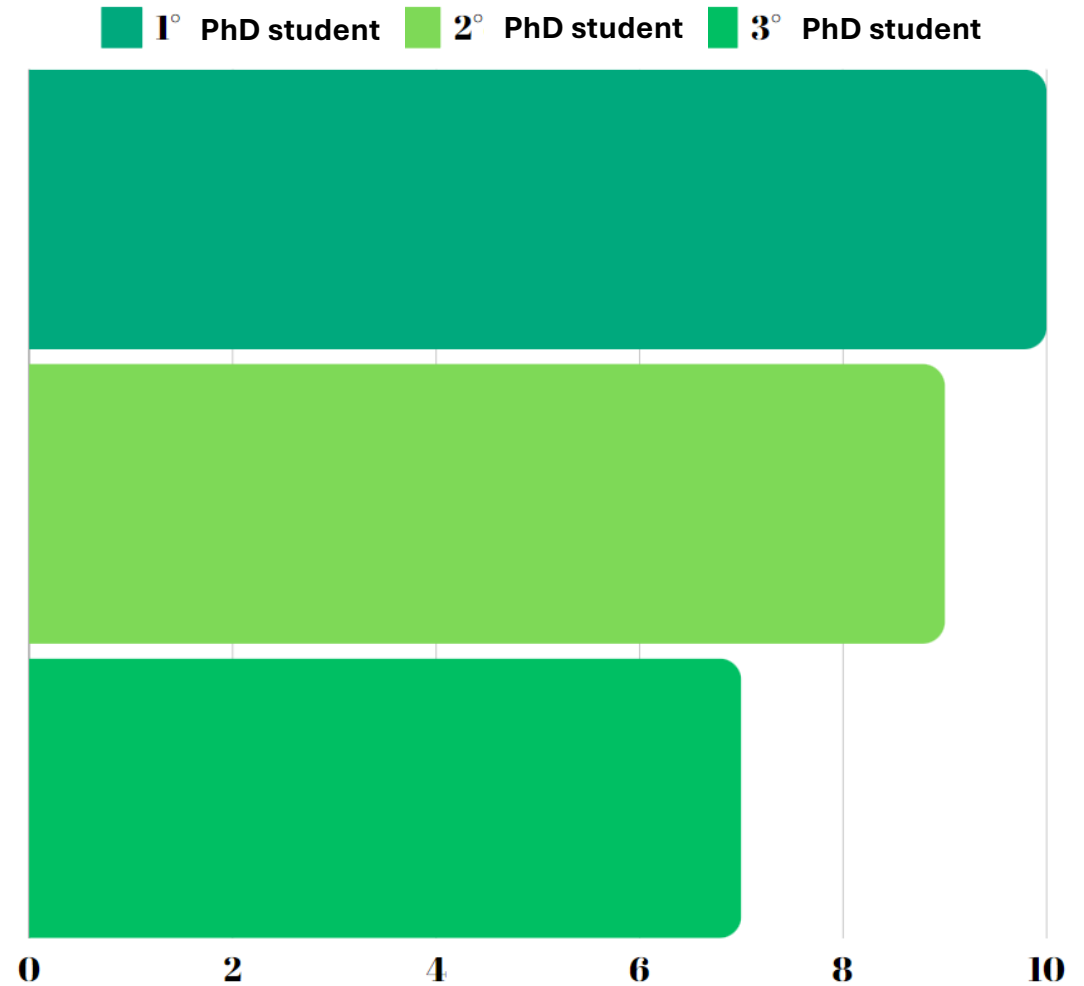

Is the support received from the host institution for the study or research period at other institutions satisfactory?

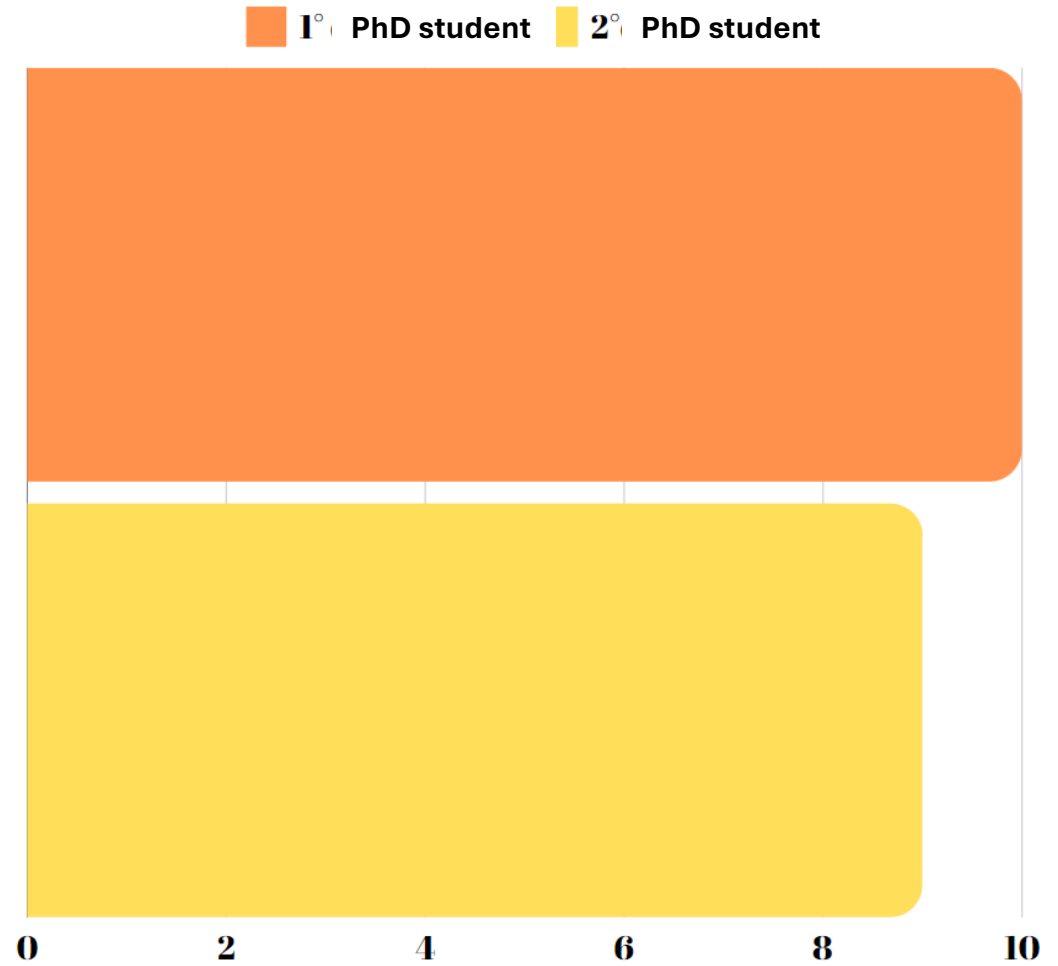

**Overall, are you satisfied
with the period of study
or research at other
Research
Institutions/Companies/
Public Administration?**

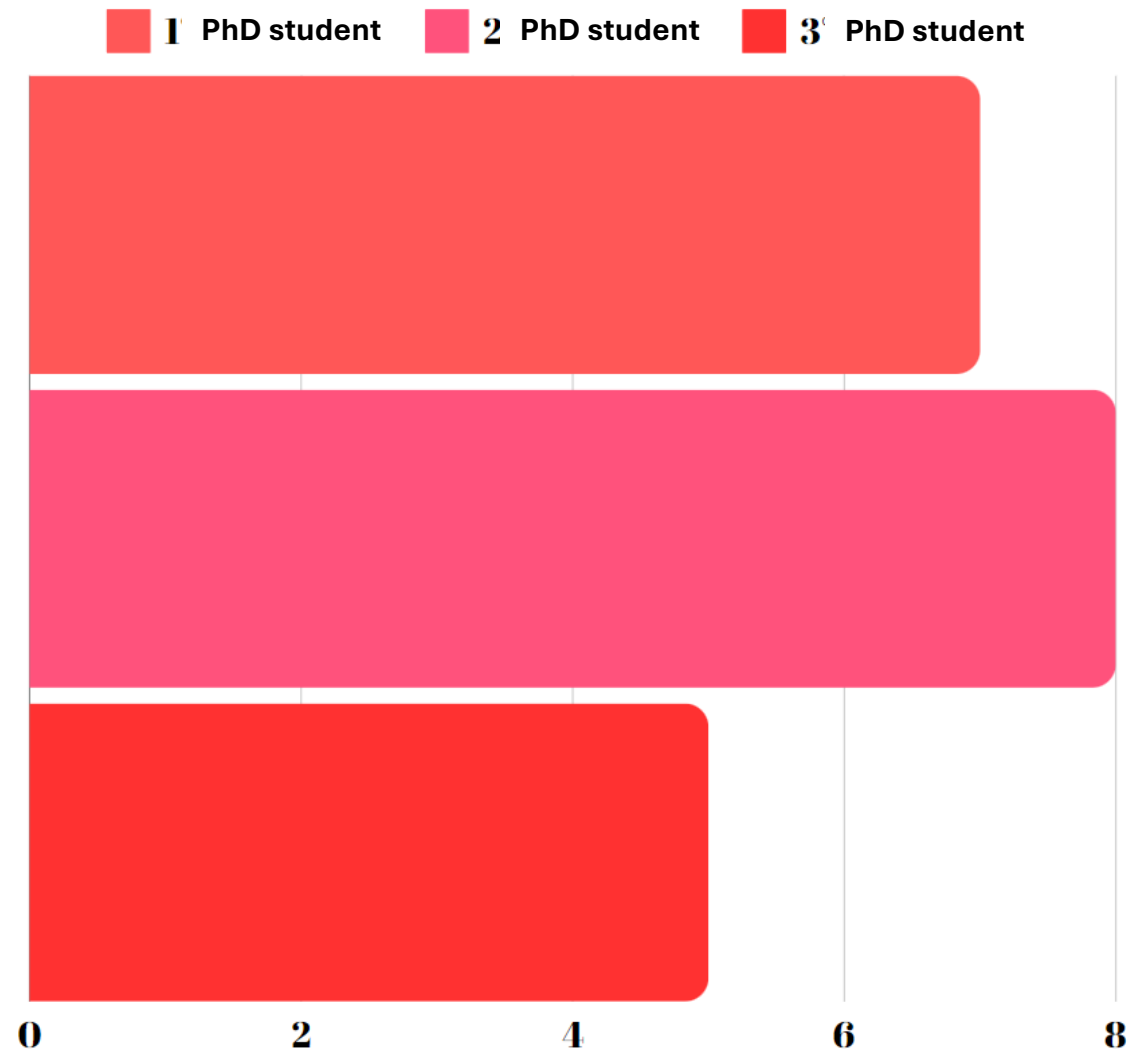

Is your teaching activity useful from an educational point of view?

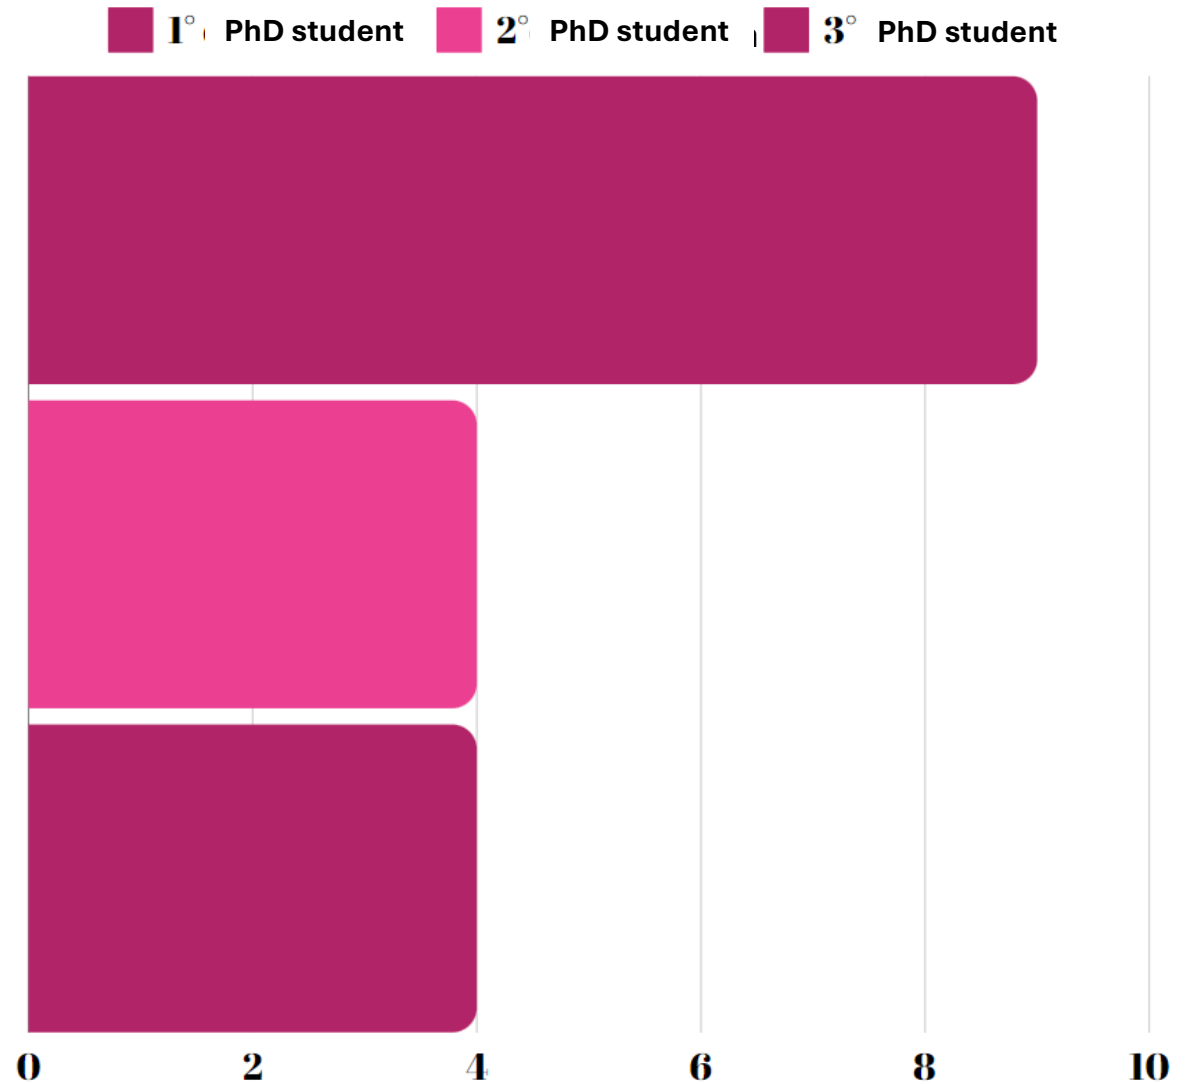

**Does the workload
required by your teaching
activities allow you to
devote sufficient time to
your research and
thesis?**

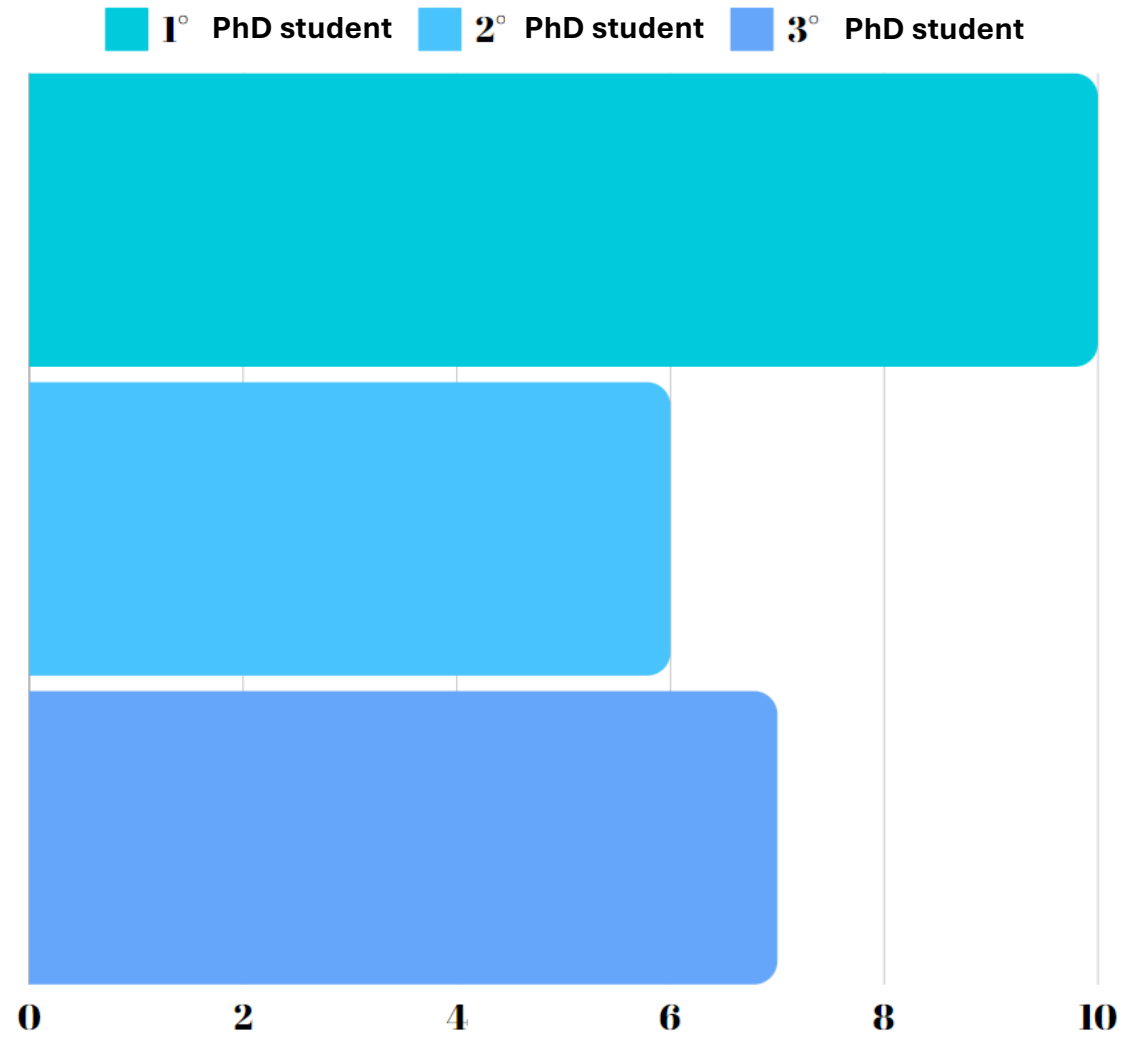

Are the classrooms and spaces used for training activities adequate (can be seen, heard, room found)?

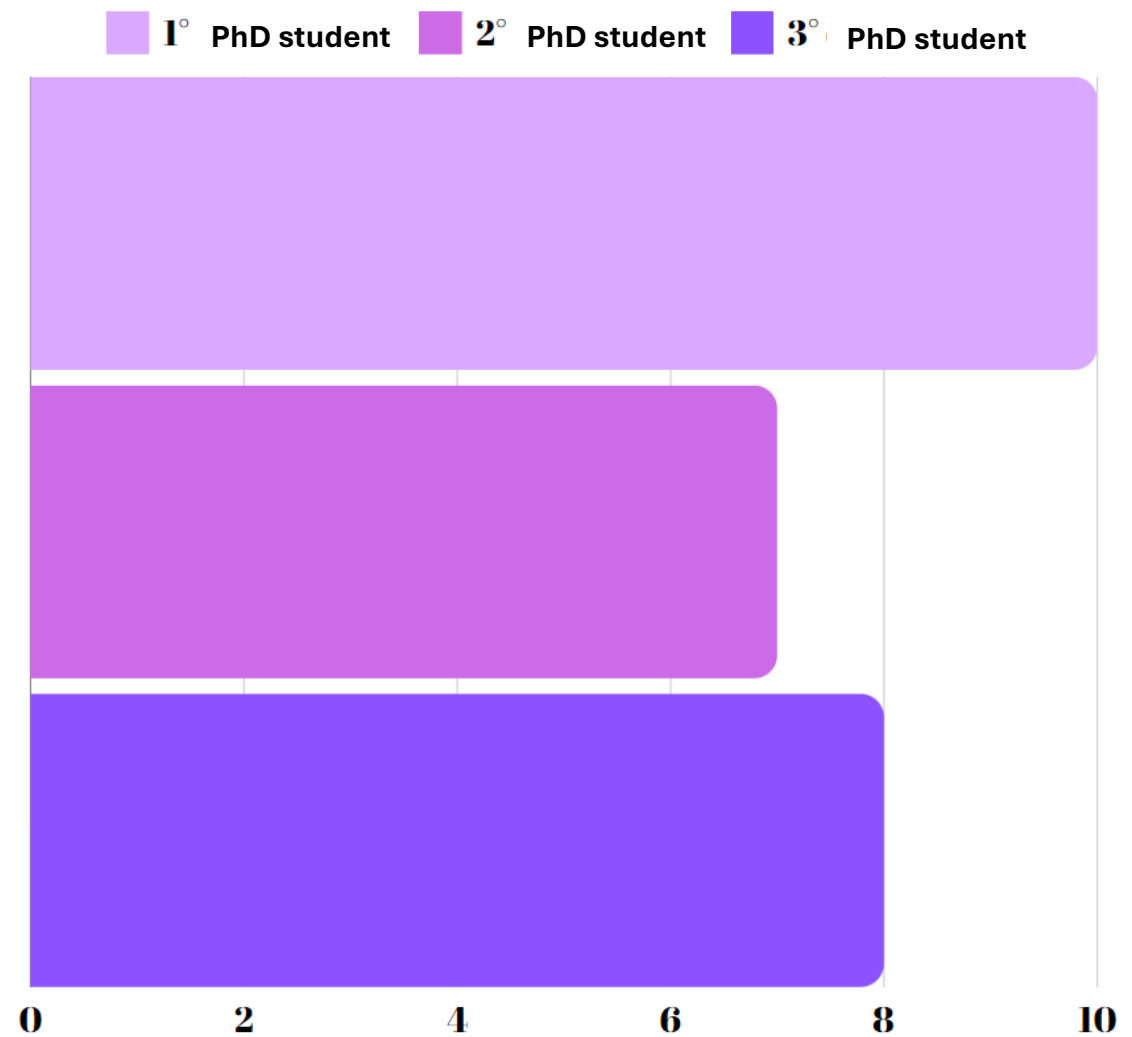

Is the personal space reserved for doctoral students adequate (size, equipment, etc.)?

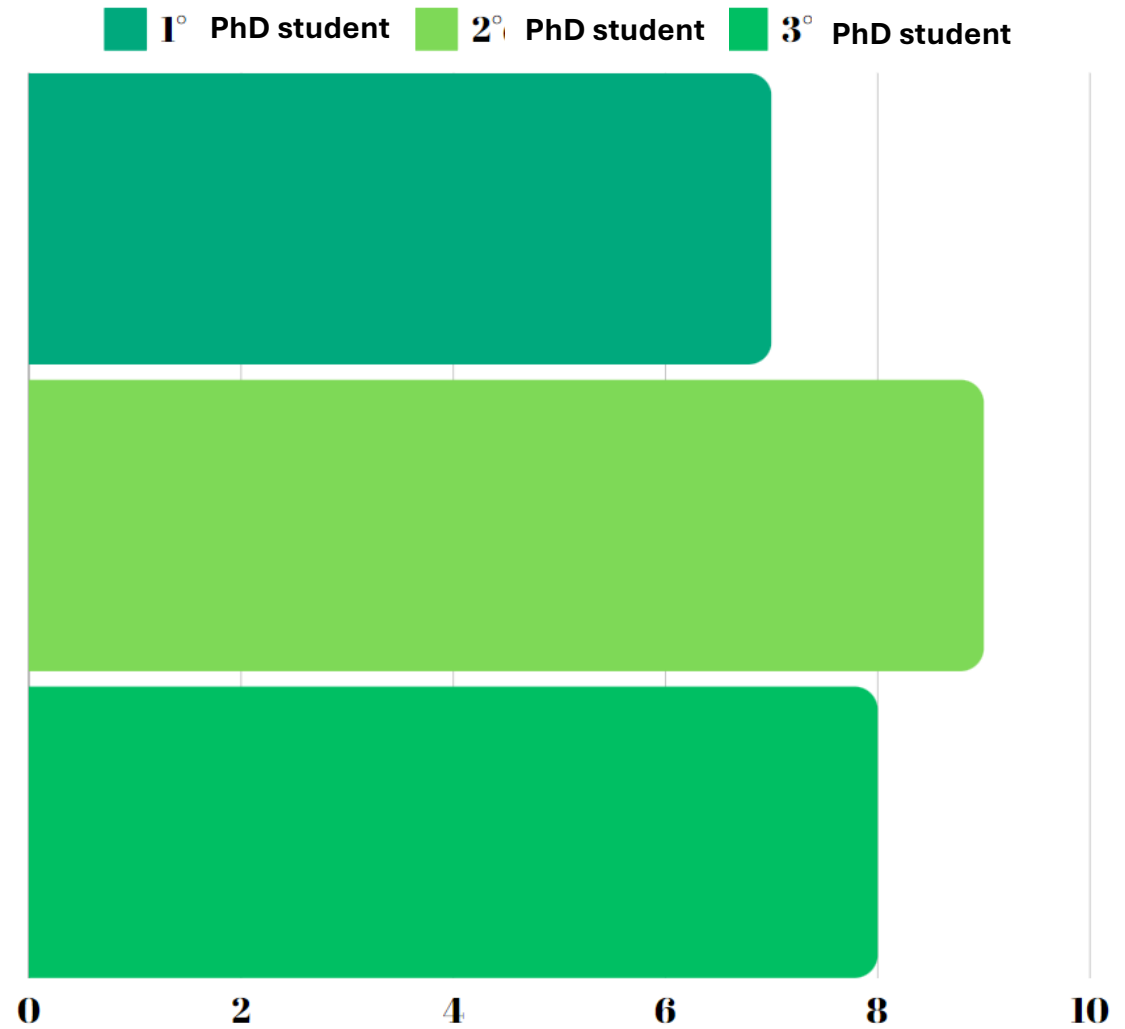

Are the library services adapted to your needs?

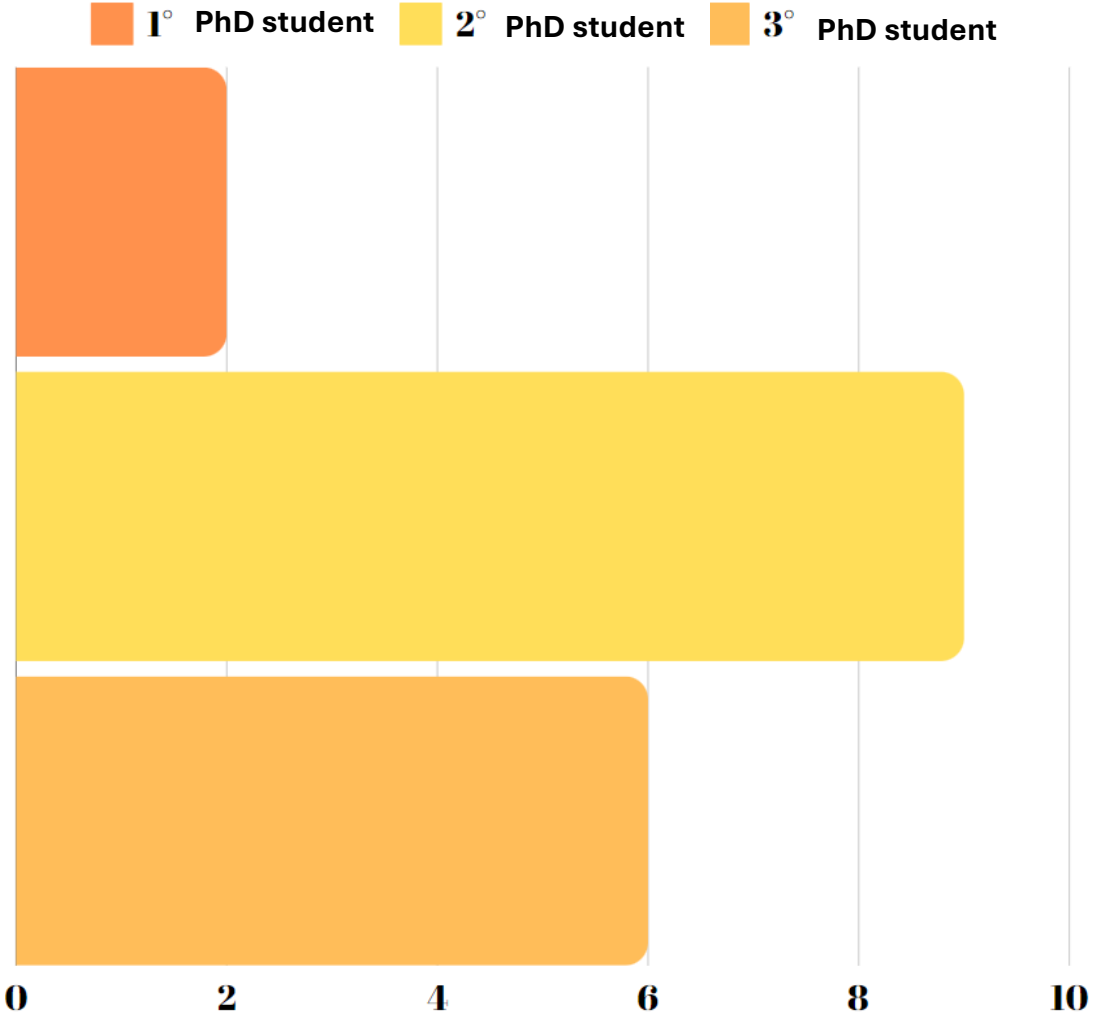

**Are the IT equipment
and connections
adequate for all the
activities carried out?**

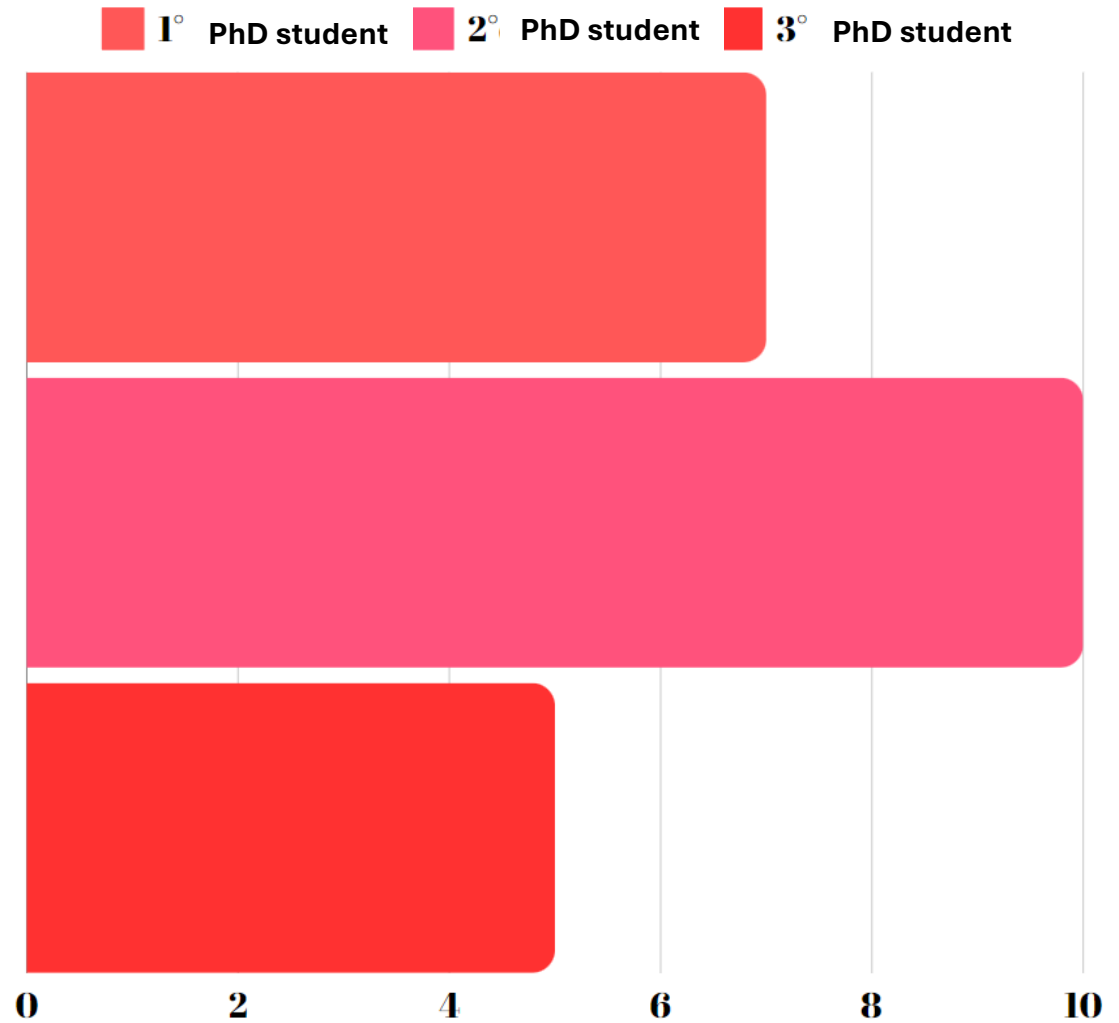

**Is the equipment
needed for research
adequate and
accessible?**

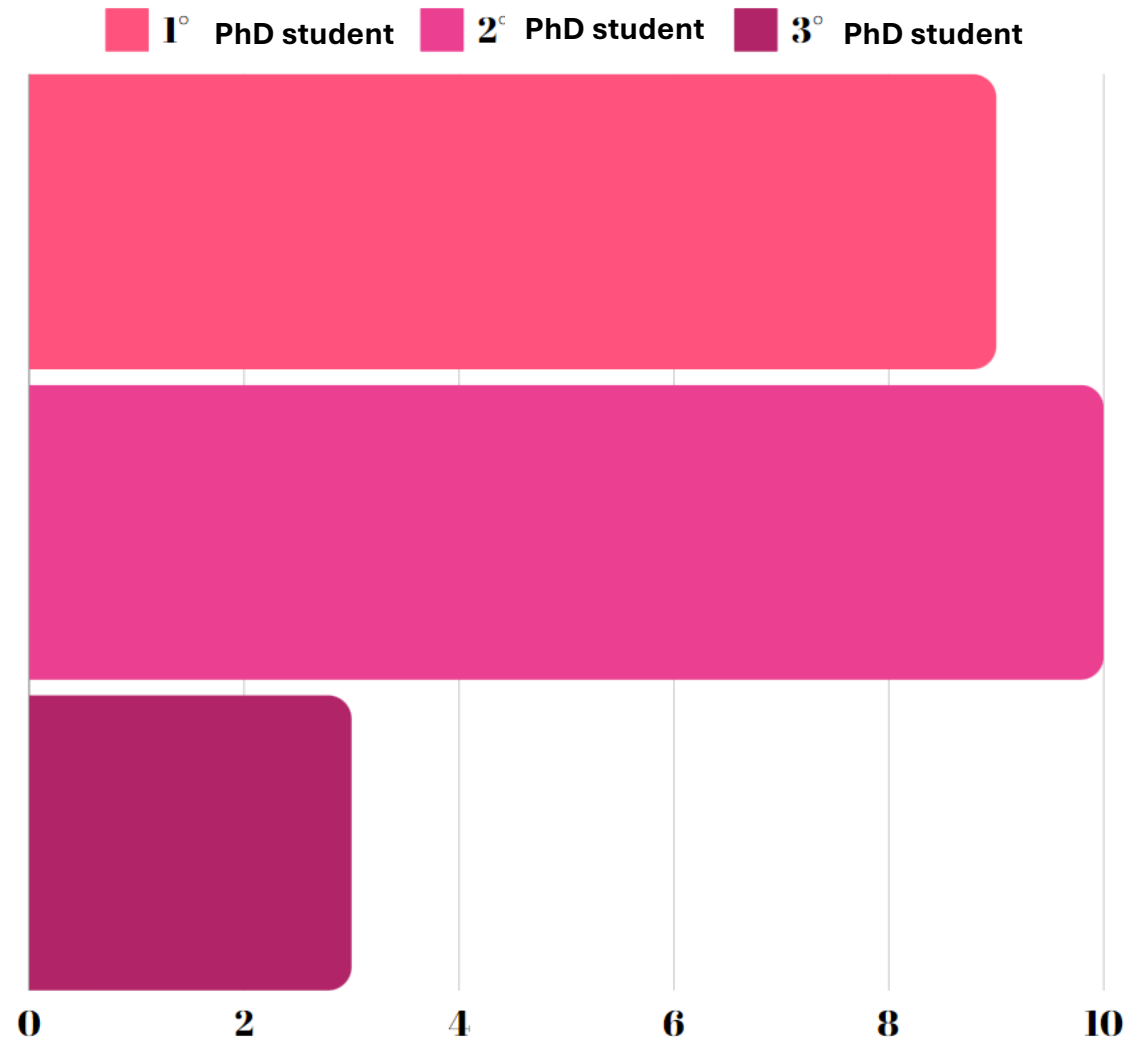

Are you satisfied with the support provided by the secretarial offices?

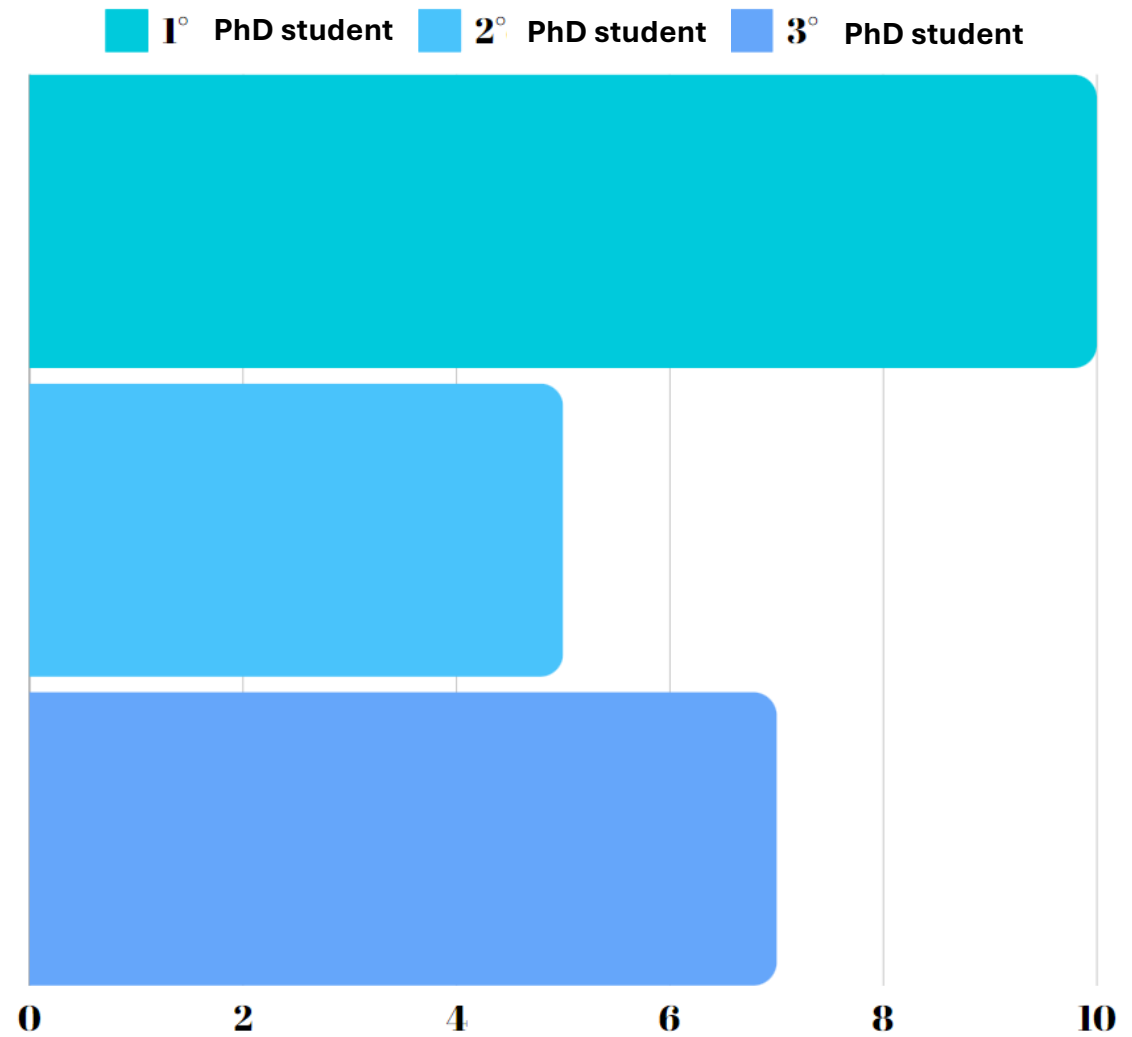

**Is the information
on training and
research activities
always up-to-date?**

Are doctoral students involved in the planning of such activities?

**Is the information on
deadlines and
administrative
procedures always
up-to-date?**

**To date, are you
overall satisfied
with the PhD
Course?**
