## **Doctoral Course in Reading the Classics**

**Title: Text analysis and scientific writing.  
The concept of force in Leibniz**

**Coordinators: Mariannina Failla and Roberto Palaia (CNR-Rome)**

**Number of doctoral course hours: 22**

**The Doctoral Course is online on Teams platform the link will be made known before each meeting**

The Doctoral Course offers a critical-reconstructive survey of the concept of force in Leibniz, highlighting its scientific-natural (dynamics), logical and metaphysical implications. The course aims to prepare doctoral students for scientific writing based on a rigorous historical-philosophical and lexicographical method.
